@CypressCollege

A Letter from the President...

Welcome to the summer 2018 term at Cypress College. We are proud that Cypress College is the #1 community college in California, as named in the national 2018 Best Community College rankings. Whether you are new to our campus or continuing your education from the fall or spring semesters, we are pleased you have chosen to become a Cypress Charger. We believe you will find our campus a welcoming and rich place to pursue your education.

The 2018 summer class schedule is one of many tools available to assist you make a wise choice about your academic and career goals. Whether you are taking a general education course that transfers to another college, fitting in a class you were unable to enroll in during the regular year, or getting a head start on your academic requirements, we hope that you will make an informed choice and we are here to help.

As you consider your options, please make sure you reach out to our outstanding faculty, counselors, and student support staff who can provide the essential guidance you will need to make the best decisions about your future. Our commitment to you is reflected in our beautiful campus environment, as well as the many exciting things taking place in our classrooms, instructional labs, and student programs and pathways.

In addition to this Class Schedule, we have many support services available to you. At the center of the campus, you will find our Student Center which houses the Admissions and Records office, Assessment Center, Career and Transfer Center, Counseling, and Charger Café. Our College Bookstore is located next to the Student Center, and our Associated Students office is located behind the Student Center by our Duck Pond. Beyond the Duck Pond, our Library and Learning Resource Center is open for tutoring, reference assistance, and instructional services to help you succeed academically while at Cypress.

We also encourage you to check out our @Cypress weekly newsletter on the Cypress College website, the President's Blog, and our Facebook, Instagram and Twitter accounts for updates on campus and student life. We wish you every success in pursuit of your academic goals and, remember, we are here to help you each step of your journey.

Buen Cypress!

Mission Statement

Cypress College enriches students’ lives by providing high-quality education for transfer to four-year institutions, associate degrees, vocational training, and certificate course-work, as well as basic skills and opportunities for lifelong learning. The college is committed to promoting student learning and success, embracing diversity, contributing to the economic and social development of the surrounding community and being open to all qualified students pursuing their educational goals.

Cypress College has made every reasonable effort to determine that everything stated in this Class Schedule is accurate. This publication is prepared in advance of the time period it covers; therefore, changes in courses and programs offered, together with other matters contained herein, are subject to change without notice by the administration of Cypress College. The College reserves the right to cancel any class for which the enrollment is not sufficient to warrant continuation, and to change the class hours and/or days as necessity demands. Student fees and instructional fees are subject to change after the printing of the Class Schedule.

Throughout the registration process (including class petitioning), certain deadlines must be established. These deadlines are necessary in order to comply with state attendance laws and must be complied with by all students. Failure to comply with these deadlines may mean that the student will not be registered and will not receive credit or be allowed to attend classes.

Cypress College is accredited by the Accrediting Commission for Community and Junior Colleges
of the Western Association of Schools and Colleges.

AN APPLICATION FOR ADMISSION TO THE COLLEGE MUST BE SUBMITTED IF:

- You are a first time student and have never registered in classes at Cypress or Fullerton College.
- You have previously applied at Cypress or Fullerton College but never attended classes.
- You are a high school graduate or at least eighteen years of age.
- You are a former student returning after an absence of one or more terms.
- You are enrolled in K-12 and qualify for the Special Admit Program. Each semester, a completed Special Admit Form with the appropriate approvals must also be submitted to the Admissions and Records Office the Monday–Thursday prior to the first day of the term.
- You are an International Student who is eligible under a student Visa F-1. For additional information on the international student process, call (714) 484-7049.

APPLICATION FOR ADMISSION

The Application for Admission can be accessed using www.CypressCollege.edu. Click on "Apply NOW!" and follow the OpenCCCapply instructions. October 15 is the first day applications are accepted for Summer and Fall semesters. October 1 is the first day applications are accepted for the Spring semester.

2

ASSESSMENT CENTER

Students are evaluated in reading, writing, and mathematics. Students registering for Math 010 C or higher should take the Math Placement test or have transcripts indicating all math prerequisite classes completed. Placement testing can be waived by completing the Alternative Assessment Petition with attached transcripts and/or test scores from another California Community College to the Assessment Center. Students can access the Alternative Assessment Petition at <http://www.CypressCollege.edu/admissions/gettingStarted/assessment>. Transcripts are used as an extra measure of your skills. You may be exempt from some assessment tests if you are:

1. A college or university graduate.
2. Already assessed at another California community college.
3. HS transcripts can be evaluated for placement in Math, English/ESL by visiting a counselor. Appointments can be made by calling the Counseling Center at (714) 484-7015.

PLEASE NO BEEPERS or CELL PHONES. CHILDREN ARE NOT ALLOWED.

Allow at least 2 hours per test process.

You must bring the following items with you for your assessment testing:

1. Photo ID
2. #2 Pencil
3. Cypress College ID number.

Test Results

The basic skills tests are for placement purposes only. After each testing session, you will receive a printout that will indicate:

- the tests you have taken
- the date the tests were taken
- the number of questions you answered correctly for each test
- course placement recommendations

Retest Policy at Cypress College

Cypress College English, ESL (English as a Second Language), and math placement scores are valid for course placement for 2 years. Students **may** choose to retest 14 days after initial assessment. If students want to retest again, they may do so after 120 days from the date of their most recent test, **provided they have not started course work in that subject to earn a letter grade, P/NP, or W in that course.**

Once a student has enrolled (earned a letter grade, P/NP, or W on transcripts) in a course sequence he/she must complete the course sequence and may not skip courses using the assessment tests. In the rare case of exception, a determination may be done on a case-by-case basis with the English, ESL, and/or Math Department.

The Assessment Center provides a variety of services to determine skill levels in grammar, reading and mathematics. The intent is to place students in courses which match their skills, needs, and goals with College courses, programs and services.

The Assessment Center is located on the second floor of the Student Center. Please call for additional information (714) 484-7223 or by visiting the following link: <http://www.CypressCollege.edu/admissions/gettingStarted/assessment>.

NOTE: If you do not meet the above exceptions, you should complete assessment and counseling prior to logging on to *myGateway* or you may be electronically blocked from *myGateway*.

Assessment Exemption: Students may qualify for an exemption from the **assessment requirement**. To be eligible for this exemption, you must have met **both** the English and Math assessment requirements by answering yes to one or more of the following:

- I have completed with a grade of "C" or higher, an English and/or math course at another U.S. regionally accredited college or university,
- I have taken an English and/or Math assessment test at another California Community College within the last 2 years,
- I have a score of 3, 4, or 5 on the Advanced Placement (AP) English Composition and Literature and/or Math exam, or
- I have received a "Standard Exceeded" on the California Assessment of Student Performance and Progress (CAASPP) exam or Smarter Balanced Assessment Consortium (SBAC).

If you meet the above requirements, please contact Tom To at (714) 484-7000 x47097 or via email tto@CypressCollege.edu to determine your eligibility. Documentation is required.

ACCOMMODATIONS FOR STUDENTS WITH DISABILITIES

Students with verified disabilities may be eligible for accommodations such as extended time on assessment tests. Contact the Disability Support Services at (714) 484-7104 for information.

CTEP: College Test English Placement (For Native Speakers of English)

The CTEP is designed to measure the English skills of native speakers of English. It is required for proper placement in English courses. Exemptions are: Completions of an AA degree or higher, enrollment in one class that has no prerequisite, transcripts/grade reports showing completion of college English with a grade of "C" or better. The CTEP may **not be** used for placement in ESL courses. **YOU WILL BE IN SESSION FOR 2 HOURS.**

CELSA: English as a Second Language (Non-Native Speakers of English and F1 Visa Students whose first language is not English)

CELSA is designed to measure the English skills of non-native speakers of English. CELSA is required for proper placement in English as a Second Language (ESL) courses; the CTEP may not be substituted for placement in ESL courses. However, students scoring high on the CELSA may be referred to take English courses for native speakers. **YOU WILL BE IN SESSION FOR 2 HOURS.**

MDTP: Mathematics Diagnostic Testing Project

All students who have not taken a math course at Cypress College are required to take the MDTP before enrolling in the following mathematics courses: MATH 015 C, 020 C, 030 C, 038 C, 040 C, 041 C, 100 C, 110 C, 115 C, 120 C, 130 C, 141 C, 142 C, 150AC. Exemption would be enrolling in MATH 010 C, **and** providing transcripts/grade reports indicating completion of the above courses with a grade of "C" or better within the last two years. Math recency is very important. Please review course listings and prerequisites. Review sample questions; the MDTP has four levels from which to choose. **NO CALCULATORS!** **YOU WILL BE IN SESSION FOR 2 HOURS.**

3

ORIENTATION

New Students are required to attend a one and one-half hour orientation to the college system. Orientation appointments are made at the conclusion of the assessment testing. Students will receive information on programs, policies and registration procedures. Placement test results will be interpreted along with a review of previous academic courses. Bring transcripts from all other schools. A counselor will help you choose your first semester classes. The counselor will then approve your semester plan.

Orientations will be offered beginning March 2017. Appointments can be made at the Assessment Center or Counseling Center, located on the second floor of the Student Center. For more information please call (714) 484-7223, or (714) 484-7015.

To access the online orientation, please log into your ***myGateway*** account. Under "***myGateway***" click on the "Cypress" link. Click on the "Cypress College Orientation" link. Be sure to meet with the counselor to complete your first semester education plan.

4

COUNSELING

Continuing and Returning Students may see a counselor prior to registration and are strongly advised to do so before the end of the semester. Counseling appointments can be made by calling (714) 484-7015. Walk-in appointments are also welcomed, but appointments are encouraged.

The Counseling Center is located on the second floor of the Student Center.

COUNSELING CENTER HOURS:

MON–THU	8:00 am– 6:00 pm
FRI	closed

Students who have previous college experience, or who are returning Cypress College students will need to see a counselor before registration. Clearance of prerequisites are reviewed by a counselor. A counselor will assess previous course work to determine placement in classes. Please bring any transcripts or grade reports to assist the counselor during the appointment.

New Students will be counseled in the orientation session as outlined in STEP 3.

Reviewing the current *Class Schedule*, along with the *College Catalog* will help you understand all the steps necessary for an easy matriculation and registration process. When coming to the campus for registration activities, always bring the registration email sent to you, ID number, Photo ID and a #2 pencil.

TRANSCRIPTS

Official transcripts from other colleges or universities are required for:

- Any students who have attended other colleges or universities. Students needing to show completion of course prerequisites may use unofficial copies.
- Students who plan to graduate or complete a certificate at Cypress College and/or transfer from Cypress College, if they have attended other colleges or universities.
- Veterans collecting educational benefits, if they have attended other colleges or universities.
- High school transcripts are required for students who have graduated within the last 2 years.

**Cypress College Enrollment Fee Waiver
Board of Governors Waiver (BOGW)
(soon to be known as California College Promise Grant)**

WHAT IS BOGW?

BOGW is a state sponsored program which waives enrollment fees only for qualifying students. You may be eligible for a fee waiver even if you are not eligible for other financial aid.

HOW DO I APPLY?

To apply for the BOGW, you must complete the application online. Below are the steps to guide you to the application:

- Log in to **myGateway**
- Under the Student tab, select Financial Aid
- Select Board of Governor's Fee Waiver Application
- Select the appropriate academic year and school
- Complete and submit the application online

You are required to submit supporting documentation to the Financial Aid Office.

Note: You must apply for the BOG Fee Waiver separately for Fullerton College and Cypress College if you wish to receive it at both schools.

WHAT ARE THE DIFFERENT BOGW APPLICATION METHODS FOR QUALIFYING?

The BOGW application has three methods for qualifying:

Method A: Is for students on public assistance programs such as TANF/CalWORKs, SSI/SSP, and General Assistance.

Method B: Is for low income students whose previous year income was within qualifying income guidelines, established by the California Student Aid Commissions.

Method C: You must have already applied for and been determined to have at least \$1104 of financial need by filing a FAFSA. No BOGW application is required for a BOGW Method "C" waiver.

WHAT IF I AM ELIGIBLE?

If eligible, the Financial Aid Office will approve and enter a waiver status on the computer system so that student is not assessed an enrollment fee for the semester. You will see your fee waiver posted in **myGateway** and your fees will be waived at the time of registration if you qualify.

NEW CHANGES TO BOGW

Beginning with the 2016–2017 academic year, the BOG Fee Waiver will require students to meet Academic and Progress Standards. For Academic Standards — a BOGW recipient must maintain a cumulative 2.0 GPA or higher. For Progress Standards — a BOGW recipient must complete more than 50% of cumulative courses attempted.

All students must maintain both standards to continue to receive the BOG Fee Waiver. If these standards are not met for two consecutive semesters, then the students will lose their BOG eligibility. *Current and former foster youth 24 years old or younger are exempt from the Academic and Progress Standards.* For more information, please contact the Financial Aid Office or visit the Financial Aid website. The Financial Aid Office will always email and post reminders in **myGateway** reminding students of these requirements each semester.

DO I NEED TO KNOW ANYTHING ELSE?

If you need help with books, supplies, food, transportation and other costs, please complete a FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA) at <https://fafsa.ed.gov> or the California Dream Application (for eligible AB 540 students) at <https://dream.csac.ca.gov> immediately.

6**REGISTRATION**

Continuing students will be assigned registration appointments based on district policies AP/BP 5055.

Registration appointments and other necessary information will be sent by email. All students should register on their assigned date and time; however, registration appointments do not guarantee enrollment into any class.

The Class Schedule contains several pages that provide useful registration information. It is recommended that students read the information prior to registering for classes.

Yahoo users are recommended to obtain an email address from another provider in order to receive electronic correspondence from the college.

SPECIAL ADMIT

All Special Admit students must submit the online admissions application prior to registering for classes. Packet submissions begin as soon as possible.

Each semester, a completed Special Admit Form with appropriate approvals must be submitted to the Admissions and Records Office the Monday–Thursday prior to the first day of the term.

Special Admit students register June 7, 2018 at 4:00 pm.

Continuing Student Registration Schedule

- Continuing students are those enrolled in Spring 2018 classes and will receive letter or “W” grades at the end of the term. They will receive a registration email that provides their priority registration date and time for Summer 2018.
- Registration appointments can also be viewed by logging onto **myGateway** and clicking on “Check Registration Appointment” under Registration Tools on the student tab.
- Registration appointments are based on units/hours earned through Fall 2017 at both Cypress and Fullerton Colleges. Having attended both institutions requires adding together the units/hours earned at both colleges.
- Units/hours earned can be determined by logging onto **myGateway** at www.CypressCollege.edu. Click on both **Student Records** and **View Unofficial Web Transcript**.
- Veteran students who are active or former members of the United States Armed Forces who are within two years of their date of separation from active duty may qualify for priority registration (CA Senate Bill 272 — effective January 1, 2008). For priority registration approval, submit your military ID, DD214 or N.O.B.E. (Notice of Basic Eligibility) to the Certifying Official of Veterans Affairs, located in the Veterans Resource Center in the Cypress College Complex.
- Special Admit students register on Tuesday, June 7, 2018, at 4:00 pm.
- Students should register on their assigned date and time for a better selection of classes; however, enrollment is not guaranteed into any class.
- Registration is subject to established deadlines for adding, dropping, payments and refunds.
- Students are recommended to obtain an email address from an ISP (other than Yahoo) in order to receive electronic correspondence from the college. However, the college is not responsible for undeliverable email. Students must be responsible for checking if they are receiving emails from Cypress College and the North Orange County Community College District.

Cypress College — Summer 2018

Registration Information

7

REGISTRATION EMAIL

A registration email informs you of the first registration appointment available based on your eligible priority. For the best selection of classes, register on the date and time indicated in the email; however, the email does not guarantee your enrollment into any class. Registration appointments can also be viewed by logging onto **myGateway** and clicking on "Check Registration Appointment" under Registration Tools on the student tab.

New students are those who have never attended Cypress or Fullerton College. New students will receive registration information by email based on the date their online Application for Admission is received.

Returning students are those who have previously attended Cypress or Fullerton College but did not register into a class for the Spring 2018 semester. Returning students will receive registration information by email based on the date their online Application for Admission is received.

Continuing students are those currently registered at Cypress or Fullerton College and will complete the term with a letter grade or "W." If a letter grade or "W" is not received, the student forfeits their continuing student status. They must submit a new online Application for Admission.

Special Admit students are those enrolled in K-12 and must submit an online Application for Admission and a Special Admit Form. Each semester, a Special Admit Form must be completed and submitted to the Admissions and Records Office the Monday–Thursday prior to the first day of the term.

BEFORE YOU REGISTER

- Ensure you are registering on or after your assigned appointment during **myGateway** registration hours.
- Clear all outstanding fees or holds. Non-clearance will delay registration.
- Get counselor clearance for math, English, ESL, reading classes and prerequisites.
- Make sure the Admissions and Records Office has your correct name, personal and email addresses and phone numbers.
- Use the Class Planning Sheet to prepare your tentative class schedule.
- Verify financial aid eligibility with the Financial Aid Office.

ON YOUR REGISTRATION APPOINTMENT DAY

Complete the **myGateway** Registration Worksheet and log onto www.CypressCollege.edu. Click on the **myGateway** logo and follow the prompts. With the exception of nightly maintenance, **myGateway** is available 7 days a week, 24 hours a day.

ADDING CLASSES

Providing prerequisites and/or corequisites have been cleared by a counselor, and class seats are available, classes can be added during **myGateway** registration. Once a class begins, students must obtain a four-digit Add Code from the instructor of each class they wish to add. Refer to the How to Add/Drop a Class and Waitlist pages for further instructions. Refer to the deadlines listed in the Class Schedule.

CANCELLED CLASSES

The College reserves the right to cancel any class it is unable to offer. Select alternate classes and list them on your Class Planning Sheet in case any of your classes are cancelled.

DROPPING CLASSES

While an instructor **may** drop a student who has poor attendance, **it is the student's responsibility to officially withdraw** when unable to continue the class. Students who wish to drop a class or withdraw from the College must drop using **myGateway**. Refer to the deadlines listed in the Class Schedule. See the How to Add/Drop a Class page for further instructions.

The neglect of any course in which a student enrolled may result in no credit earned for the course and/or a substandard grade posted on your permanent student record.

PETITIONING CLOSED CLASSES

Students may petition closed classes by opting for the Waitlist before the class begins or by attending the first class meeting. Waitlist information can be found in the next column and on the Waitlist page in the Class Schedule. If a seat is available the first class meeting, the instructor will issue the student a four-digit add code. By the add deadline, the student must access **myGateway** and add the class entering the add code when prompted. A student is not officially registered for a class (even if the instructor calls or writes names on the class roster) until the student adds the class and fees have been paid through **myGateway**.

CONCURRENT ENROLLMENT

Concurrent enrollment requires a student to register for more than one class. Register for both the lecture and lab classes when both are required. Register for the lecture, lab and problem solving classes when all three are required.

COURSE REPETITION

As a general rule, students may not register in a class if a passing grade has previously been received or the maximum number of repetitions allowed have been completed. Contact Admissions and Records for additional information.

EMAIL AND ADDRESS CHANGES

- If you pay by VISA or MasterCard, come into the Admissions and Records Office and update your personal address information, if necessary.
- Email, personal addresses and phone numbers can be updated by accessing the Personal Information channel of **myGateway** on the Student tab.

FEES

Fees are due immediately upon registration. Cypress College **does not bill for unpaid registrations**. Students with unpaid fees may be dropped from classes to free up seats for other students seeking to register.

Students with BOGW Enrollment Fee Waivers are reminded that the waiver covers enrollment fees ONLY. Students MUST submit payment for the student ID fee, material, health and parking fees and any other charges indicated. Check with Financial Aid to verify payment eligibility for enrollment fees.

MAXIMUM UNITS/HOURS

A maximum unit load for any student is 16 units and 12 units qualifies as full time enrollment. A student may carry over 16 units with counselor approval.

TIME CONFLICTS

The **myGateway** system will not allow you to register for two or more classes which are scheduled during the same time period. A Petition for Exception must be submitted to Admissions and Records to request approval for class time conflicts.

PARKING PERMIT

Use of Cypress College's general parking lots requires a parking fee. In lieu of a physical parking permit, the College uses a virtual parking system. Students and guests purchase virtual permits online and must register their vehicle license plate number to activate the virtual parking permit. Those who purchase semester-length permits may change vehicle license plate numbers online at any time using the website. Day-use vehicle registration is available at kiosks on campus or through our campus website. Physical parking passes are no longer issued to students or guests. Cypress College semester-length parking permits are also honored at Fullerton College and the Anaheim Campus.

SCHEDULE/BILL

The **Schedule/Bill** includes a list of your classes, fees and payments, and is proof of your registration. You may use **myGateway** throughout the term to check or print your schedule. Many offices will require you to show a valid ID prior to providing you services.

NOTE: Throughout the semester/school year, the District may sponsor voluntary off-campus extracurricular field trips/excursions. If you choose to participate, be advised that pursuant to California Code of Regulations, Subchapter 5, Section 55450, you have agreed to hold the District, its officers, agents and employees harmless from any and all liability or claims which may arise out of or in connection with your participation in the activity.

WAITLIST

A waitlist is an electronic list of students who are petitioning a closed class. The list is prioritized according to the date and time students opt for the waitlist. Waitlist size is determined by the division. Waitlisting **does not** guarantee enrollment into any class and not all classes have waitlists. Waitlisted students must attend the first class meeting and meet all registration requirements to be considered for an add code.

When **myGateway** advises that a class is closed, a student can choose the option to be placed on the waitlist. If a seat becomes available, the waitlisted student will be notified via email that they have 48 hours to add the class through **myGateway**. The email will be sent to the preferred email address on file. Students can also access **myGateway** and check Personal Announcements for seat advisements for waitlisted classes. Yahoo email users should check **myGateway** daily for information regarding their waitlist status.

Refer to the "WAITLIST" page in the Class Schedule for complete waitlist information.

STEP 6 FEE PAYMENT

The amount shown next to your "Account Balance" is due and payable immediately. Cypress College **does not bill for unpaid registrations.** Students with unpaid fees may be dropped from classes to free up seats for other students seeking to register. Select either "Credit Card Payments" or "Check or Money Order Payments" and follow the prompts.

Note: If paying by credit card, you must resubmit the term you registered for.

Your **Schedule/Bill** includes a list of your classes, fees and payments, and is proof of your registration. You may use **myGateway** throughout the term to check or print your schedule.

If you decide not to attend any classes you have registered for, it is your responsibility to officially drop within published deadlines.

Frequently Asked Questions...

WAITLISTS

What is a waitlist?

A waitlist is an electronic list of students that want to enroll in a closed class. Waitlist size is determined by the division. Waitlisting does not guarantee enrollment into any class and not all classes have waitlists. Waitlist students must meet all registration requirements, including time conflicts and prerequisite requirements.

How do I place myself on a waitlist?

- Log onto *myGateway* and go to Registration Tools. Click “Add or Drop Classes”.
- Enter the five-digit CRN of the class. You will be advised if the class is closed and given the option of adding the waitlist if waitlist seats are available.
- Use the drop down menu and select “Waitlist”. Click “Confirm Your Choices”.

How do I remove myself from a waitlist?

- Log onto *myGateway* and go to Registration Tools. Click “Add or Drop Classes”.
- Use the drop down menu and select “Waitlist Drop”. Click “Confirm Your Choices”.

Can I add myself to more than one waitlist?

You can waitlist for more than one class but you CANNOT waitlist for two sections of the same class.

How can I monitor my waitlist status?

Log onto *myGateway* and go to Registration Tools. Click “Check Waitlist Status”. It is recommended that you frequently check your waitlist status.

How will I know if a seat in the class becomes available while I am on the waitlist?

- You will be notified via a Personal Announcement on *myGateway*.
- Log onto *myGateway*. Go to Personal Announcements. Click “Check Waitlist Status”.
- If a seat is available, you will see the date and time the seat notification will expire.

How long do I have to add the class when a seat becomes available?

You have 48 hours to add the class OR until midnight prior to the first day of the class, whichever comes first. If you miss the 48-hour deadline, your name is automatically removed from the waitlist and the next waitlisted student is notified of the available seat.

How do I add the class if I receive the notification that a seat is available?

- Log onto *myGateway* and go to Registration Tools. Click “Add or Drop Classes”.
- Go to the specific waitlisted class in your list of classes.
- Use the drop down box and choose “Register — Web”. Click “Confirm Your Choices” and “Complete Registration”.
- Pay your fees immediately or you may be dropped for non-payment.

What if I am on a waitlist but no seat becomes available before the first class meeting?

You must attend the first class meeting. Your name will appear on the instructor’s roster as waitlisted. If there are seats available, the instructor will provide you with a four digit Add Authorization Code. You must add the class via *myGateway* entering the add code when prompted. The class must be added by the add deadline. Check the Class Schedule for the deadlines of semester and less than semester length classes.

Yahoo users are recommended to obtain an email address from another provider in order to receive electronic correspondence from the college.

Cypress College — Summer 2018

How to Add/Drop a Class

All Registration, Adds, Drops and Withdrawals are to be completed online through *myGateway*.

Adding a Class

Prior to the first day of class If the class is OPEN, an Add Authorization Code is not required. If the class is CLOSED, a Waitlist option may be offered and the student must comply with its requirements. However, there is no guarantee of enrollment into the class, and not all classes will have waitlists.

Starting the first day of class An Add Authorization Code is required for most classes. Attend the first class meeting of the class you wish to add. If seat space is available, ask the instructor to give you a four-digit **Add Authorization Code**. Instructors may not be able to grant all requests for Add Authorization Codes.

1. **IMMEDIATELY** access ***myGateway*** registration at <http://mg.nocccd.edu>.
Log in and click on **Register for Classes**.
2. Select the term Cypress College/Fullerton College Summer 2018 and click **Submit**.
3. Enter the five-digit CRN (Course Reference Number) in the “CRN” box and click on **Confirm Your Choices**.
4. If prompted, enter the four-digit Add Authorization Code in the field provided.
5. Click on the **VALIDATE** button. If the code is approved, continue to Step 6.
If the code is not approved, you will need to obtain another add code from the instructor.
6. Click on **Submit Changes** and confirm the status of your class.
7. After confirming that the class has been added, click on **COMPLETE REGISTRATION**.
8. Pay your fees immediately or you may be dropped for non-payment.

The Add Authorization Code (commonly known as the “Add Code”) is good for five days. If you receive an error message when you use the add code, you must first correct the related problem before the class can be added. If the five days expire before correcting the problem, you must obtain another add code from the instructor. A separate four-digit add code is required for each class you wish to add and is only valid for the current term and class.

Dropping or Withdrawing from a Class

1. Access ***myGateway*** Registration at <http://mg.nocccd.edu>.
Log in and click on **Register for Classes**.
2. Select the term Cypress College/Fullerton College Summer 2018.
3. From the drop down menu, choose **Drop Online** or **Withdrawal-Web** for the classes you wish to drop.
4. Click on **Confirm Your Choices** to drop your classes.
5. Check under **Status** on the left of the screen to confirm the **Drop Online** or **Withdrawal-Web** status before exiting ***myGateway***.

Waitlisted students Refer to the “WAITLIST” page in the Class Schedule for complete waitlist information on how to add a waitlisted class or drop a waitlist.

Adding, Dropping and Withdrawing from classes are subject to established deadlines.
It is the student’s responsibility to officially add and withdraw from classes.
Verify added and dropped classes on your Schedule/Bill.

Cypress College — Summer 2018

Fees and Refunds

While all reasonable efforts have been made to present complete and accurate fee information, changes in state funding may result in fee changes for the current academic year.

All Registration Fees must be paid in full at the time of registration. Payments may be made by cash, check, money order, MasterCard or Visa.

ASSOCIATED STUDENTS BENEFITS CARD

All students are encouraged to buy this option. For \$7 you receive discounts on a variety of services: movies, restaurants, etc. NOW includes a limited 10% discount at the Cypress College Bookstore on selected school supplies.

HEALTH FEE

Pursuant to Education Code and district policy, Cypress College has a mandatory health fee. The health fee is \$19.00 per semester (\$16.00 for summer term) for each student regardless of the number of units taken. **The health fee and/or health fee exemptions are subject to change should the state legislature take action to change them.**

Any student who depends exclusively on prayer for healing in accordance with the teachings of a bona-fide religious sect, denomination or organization is exempt from paying the health fee. Upon request, the health fee will be refunded to any student who withdraws from all courses prior to the 10% date of the length of the course.

MATERIAL FEES

Students enrolling in classes with material fees will be required to pay the fee(s) at the time of registration (see individual course). If the material fee is not indicated as *PAYABLE AT REGISTRATION*, the fee is paid in the College Bookstore.

NON-RESIDENT TUITION

Non-residents of the State of California are charged tuition at \$249.00 per unit, which includes the \$15 Capital Outlay fee per Education Code Section 76141. Non-resident tuition is **in addition** to the enrollment fee required to be paid by all students. If you believe you should be reclassified as a resident student, it is your responsibility to change your status at the Admissions and Records Office prior to registration. If you are a non-resident seeking a waiver of the \$15 capital outlay fee due to financial hardship, contact the Admissions and Records Office.

CAMPUS PHOTO ID CARD

Students are strongly encouraged to purchase a Campus Photo ID Card. Students pay a \$2.50 service fee at the time of registration. New and returning students may obtain a Campus Photo ID Card upon presentation of their Enrollment Receipt showing proof of payment of the fee and a valid photo ID (i.e. Driver's License or California ID card). The Campus Photo ID Card includes the student's photo, signature, permanent number and a scannable bar code. The Campus Photo ID Card is required for the following services:

- all campus labs
- Library, Financial Aid, Bursar's Office, and Student Affairs
- check or credit card purchases in the Bookstore

Cards that are requested but not picked up by the end of the last day of the semester will be voided.

ASSOCIATED STUDENTS BENEFITS CARD

All students are strongly encouraged to buy this optional package. For \$7 you receive discounts on a variety of services: movies, restaurants, amusement park tickets, etc., as well as a limited 10% discount at the Cypress College Bookstore, and use of the Computer Lab and fax machine in the Student Activities office.

***Please note that your Cypress College Parking permit will be honored for all student parking lots at Cypress College, Fullerton College and our Anaheim campus.**

NOTE: Campus Safety will ticket for no student parking permit beginning the second week of the term.

Citations will begin June 18, 2018.

PARKING

An optional parking fee of \$20.00 for automobiles and \$10.00 for motorcycles has been authorized by the District Board of Trustees (Education Code 25425 and 25425.1).

Payment of this parking fee may be made at the time of registration in **myGateway**. Payment for semester permits and registration of plates authorizes students to use any of the seven lots open to student and guest parking, as well as designated spots on Circle Drive. Cypress College semester-length parking permits are also honored at Fullerton College and the Anaheim Campus. Students and guests may also register vehicles using short-term parking machines for \$2 per day. Short-term permits are valid at Cypress College only. Students and guests are not eligible to park in staff spaces. The parking permit does not guarantee a parking space.

NOTE: Public Safety will ticket for no student parking permit beginning the second week of the term!

Disabled Persons Vehicles — Use of state-designated disabled parking spaces requires proper display of either a valid disabled placard or designated license plates. Disabled parking spaces are prominently marked in blue and white. Vehicles parked in disabled parking spaces must also comply with the requirements noted above, including purchase of a virtual permit and completion of the vehicle license plate registration. Designated disabled parking spaces are available in all campus lots. Individuals who park vehicles in the disabled stalls without proper credentials will be subject to a \$290 citation.

MON–THU

7:30 am–9:00 pm

Parking Availability — One day parking permit dispensers are available in various lots for \$2.00 per day. Escorts are available for anyone who would like accompaniment to or from the parking lot. Contact Campus Safety at (714) 484-7387.

Parking Enforcement — All campus parking regulations are enforced by the Cypress College Campus Safety Department. All traffic regulations are enforced by the Cypress Police Department. Parking regulations are strictly enforced. **A one-week grace period is provided at the beginning of the Fall and Spring semesters in order for students to obtain permits.** Failure to register your vehicle license plate may result in a parking citation issued by Campus Safety.

The fine for parking without a valid permit and registered license plate is \$37; other fines range from \$37–\$290, depending on the violation.

Any vehicle found parked on Cypress College property that has (3) or more unpaid Cypress College parking citations may be towed without notice. Registered owners of the vehicle will be responsible for paying all citations, towing fees, and impound fees prior to the vehicle being released by the impound company.

Citation Payment and Appeals — Payment of fines or filing of an appeal must take place within 21 days from the date of the citation or the fine will be doubled. Cypress College Parking Regulations are available on **myGateway**, the Campus Safety webpage, and in the Campus Safety Office on the first floor of the Business Building.

Parking Refunds — Refunds will only be given with proof of withdrawal from all classes. No refunds will be issued after 10% of class is complete.

REFUNDS

If a student withdraws from classes, a refund processing fee of \$10.00 will be deducted from the enrollment fee refund. Refunds will be processed after the 2nd week of the semester. All refunds are issued by check and will be mailed. Please keep your Cypress College address current. See the *Refund Policy*.

REFUND DEADLINES

Summer Session Class	Refundable through the 10% date of the length of the class.
Campus ID Card	Refundable the 10% date of the length of the class, if the card has not been produced , and non-refundable if the card has been produced.

Academic/College Policies Affecting Students

ATTENDANCE

It is important that officially enrolled students attend the first class meeting of every course. Failure to attend the first class session **may** result in the instructor dropping the student from the class. Students should be especially careful not to accumulate excessive absences. Waitlist and non-waitlist students must attend the first day of instruction to be considered for an add code.

AUDITING COURSES

Currently enrolled students who wish to audit must have previously completed the course successfully the maximum times allowed at Cypress College. An audit form must be filed with the Admissions and Records Office. Students must petition to audit during the second week of the class. Enrolled students must pay \$15.00 per unit, the health fee and other fees as required. For additional information, contact the Admissions and Records Office.

CALIFORNIA RESIDENCE REQUIREMENT

For tuition purposes, California Community Colleges are required to determine a student's residency. California law states that residency is physical presence coupled with the intent to remain in California.

To qualify for residency status, a student must have been a California resident for one year and one day prior to the opening day of instruction. The burden of proof to clearly demonstrate both physical presence in California and intent to establish California residence lies with the student. See the College Catalog and college website for residency information. Visit the Admissions and Records office for additional details.

CHALLENGING PREREQUISITES, COREQUISITES, OR OTHER LIMITATIONS ON ENROLLMENT

Grounds for Challenge

Where a student is denied enrollment in a program or course on the grounds that the student does not meet a prerequisite or corequisite, or on the basis of other limitations on enrollment, the student may challenge such prerequisite, corequisite or limitation on one or more of the following grounds:

1. The prerequisite, corequisite or other limitation on enrollment has not been established in accordance with the district's process for establishing prerequisites, corequisites and other limitations on enrollment;
2. The prerequisite, corequisite or other limitation on enrollment is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner;
3. The basis upon which the district has established an enrollment limitation does not in fact exist;
4. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite;
5. The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or corequisite course has not been made reasonably available by the college.

Burden of Proof

The student shall bear the burden of proof in demonstrating that grounds exist for the challenge.

1. In the case of a challenge under Grounds for Challenge number 4, the student shall provide evidence of knowledge and/or skills, by virtue of placement/assessment testing, academic course work, independent learning, experience, or a combination of these which are at least equivalent to the knowledge and/or skills the student would have possessed had he or she successfully completed the prerequisite or corequisite.

2. In the case of a challenge under Grounds for Challenge number 5, the student shall provide evidence that the student has declared a broad educational intent or specific educational goal and has developed a Student Educational Plan in conformity with the provisions of Section 55530(d) of Subchapter 6 of Chapter 6 of Division 6 of Title 5 of the *California Code of Regulations*.

Challenge Procedure

Filing of Challenge

1. A challenge with respect to any prerequisite, corequisite or limitation on enrollment initiated pursuant to this policy shall be made upon the appropriate challenge form, which may be obtained from a counselor or the Office of Instruction.
2. The completed challenge form must be filed with the Office of Instruction in accordance with the following deadlines:
 - a. for the Fall term, not earlier than Friday of the fifteenth week of the Spring semester and not later than the first day of instruction for the Fall semester;
 - b. for the Spring term, not earlier than Friday of the twelfth week of the Fall semester and not later than the first day of instruction for the Spring semester;
 - c. for the Summer Intersession, not earlier than the first Monday in May and not later than the first day of final examinations for the Spring semester.

In the case of a challenge under Grounds for Challenge number 4, the completed challenge form must be accompanied by appropriate evidence of skill or accomplishment such as placement/assessment results, transcripts from an accredited institution or appropriate foreign institution, work-related experience, or other evidence of relevant experience. To warrant consideration, any such evidence shall be of a clear and reliable nature.

CHANGE OF ADDRESS

Students are expected to notify the Admissions and Records Office when their address, email and/or phone number changes. Change of Address forms are available in the Admissions and Records Office and there is no charge for this form. Address and phone updates can also be made using **myGateway**. After logging into **myGateway**, this option is available under Personal Information of the Student tab. The college is not responsible for any delay in communications sent to an outdated address that the student has not corrected.

CHANGE OF NAME

Students who wish to change their name on official college records must obtain and file the Change of Name form in the Admissions and Records Office. Proof of a legal name change may be required and there is no fee for this form. When the name change is processed, it is recommended that a new student ID card is purchased and a new picture taken at Photo ID in the Student Center.

CHILDREN ON THE CYPRESS COLLEGE CAMPUS

Introduction

Cypress College celebrates the presence of many children in the lives of our campus family and the college is committed to doing everything possible to ensure the health, safety and well being of all children.

Why do we need these guidelines?

The college manages its campus primarily for adults and is not held responsible for supervising children. Furthermore, students and faculty expect to be able to conduct their activities in an academic environment. Therefore, any parent or guardian who brings a child to Cypress College must adhere strictly to established guidelines. A parent or guardian can be any student, faculty or staff member, vendor, or campus visitor.

Who is a child?

For purposes of these child-protection guidelines, the term "child" applies to any person under the age of 18 who is not otherwise enrolled in a program or course at Cypress College, including programs/courses offered by the School of Continuing Education.

Guidelines to be followed:

- Children may not accompany parents or guardians to classes, labs or the worksite.
- "Arms-length supervision" by a parent or guardian is required at all times.
- Should a child become disruptive, both the parent or guardian and child may be asked to leave the campus.

CLASS CANCELLATIONS

Cypress College reserves the right to cancel any class for which the enrollment is not sufficient to warrant continuation and to change the class hours and/or days as necessity demands.

COURSE NUMBERING

Courses completed at Cypress College, which are not designated as Non-Degree credit, will transfer to other community colleges. Courses numbered from 001 C–099 C are remedial, occupational and/or technical and designed in content and organization for students who do not intend to transfer for the Bachelor's degree. Courses numbered from 100 C–299 C (including Honors classes) have been certified by Cypress College as being of baccalaureate level for the school year and are transferable to any campus of the California State University system.

The transfer institution, however, will determine the extent to which a course satisfies the requirements of a particular degree program. Credit not otherwise applied shall be acceptable as general electives to the extent that the particular degree objective permits. Students who plan to transfer to any campus of the University of California or other university or college should check with a counselor for transferable courses since some universities do not accept all courses numbered 100 C–299 C (including Honors classes).

COURSE PROGRESSION

Students are expected to take courses on an accepted progressive basis. Students will not receive credit for classes which are considered lower in degree of advancement than those already taken.

COURSE REPETITION

As a general rule, a course in which a student has earned a grade of D, F, NC, NP, or W may be repeated twice. Students who have earned a grade of A, B, C, CR or P may repeat a course under exceptional circumstances. A Petition for Exception must be submitted to the Admissions and Records Office for approval prior to repeating a course; otherwise, students will be electronically blocked

from registering or notified by mail that their enrollment in a course is in conflict with this policy.

EXAMINATIONS

Class instruction includes frequent examinations throughout the semester so that students can judge their progress. Final examinations are given on the last day of the class. The final examination is a requirement for each course. All students must take these examinations at the scheduled time and place. Any exceptions to the above policy will be made only after consultation with the division dean.

GRADES

Grades are available to be viewed online on **myGateway**. Grades are not mailed to students. A paper copy of your grades can be obtained with photo ID from the Admissions and Records Office. This printout is not a student transcript of record or a verification of student enrollment. Students may order official copies of these documents from the Admissions and Records Office for a nominal fee.

OPEN ENROLLMENT

It is the policy of the North Orange County Community College District that every course, course section or class, wherever offered and conducted throughout the district, shall be fully open to enrollment and participation by any person who is eligible for admission to the college and who meets such prerequisites as may be established pursuant to the provisions of Title 5 of the California Administrative Code and the policy of the Board of Trustees of the North Orange County Community College District.

PASS/NO PASS OPTION (FORMERLY CREDIT/NO CREDIT OPTION)

If a full term course is listed in the Class Schedule as "PASS/NO PASS/LETTER GRADE OPTION," a student wishing to take the course on a credit basis only must file a "Request for Pass/No Pass Grading Option" form with Admissions and Records by the end of the fifth week of the semester. The filing date for Summer, late start and short-term courses and open entry classes is by 30% of the class meetings. The decision to take a course on a P/NP basis is irreversible once the request has been submitted to the Admissions and Records Office. Refer to the College Catalog for more information or inquire at the Admissions and Records Office.

PRIVACY RELEASE

Pursuant to the Federal Family Educational Rights and Privacy Act of 1974, the North Orange County Community College District has established Board Policy 5040 — Student Records, Directory Information, and Privacy, which covers the release of student records. The College may make public, without prior student consent, only certain directory information. This information will consist of the student's name, major field of study, participation in officially recognized activities and sports, weight and height of athletic teams, dates of attendance, degrees and awards received, the most recent previous public or private school attended by the student, and any other information authorized in writing by the student.

Students who wish to have this directory information further restricted may do so on the College Application for Admission or by making the request in the Admissions and Records Office. Directory information will then be provided to only those individuals who have a written authorization from the student.

No other student information will be disclosed without prior student consent except to college officials and employees of the District with legitimate educational interests unless sought pursuant to a court order or lawfully issued subpoena, as or otherwise authorized by applicable federal and state laws.

A copy of this District policy is available on the District website, www.nocccd.edu.

TRANSCRIPT OF RECORD

The Admissions and Records Office prepares and permanently retains a record of each student's academic work. The transcript reflects all academic work attempted at Cypress College. Chronologically, it lists all courses, units, grades, grade points, total units, a cumulative grade point average and other relevant academic data.

The normal processing time for transcripts is 7–10 working days. Forms for requesting transcripts are available online (www.CypressCollege.edu) and in the Admissions and Records Office. Transcript requests may be submitted in person, electronically or by mail. Mail requests must include the student's current and previous names, date of birth, social security number, approximate dates of attendance, number of copies needed and a complete address of where the transcript is to be sent, with the student's signature. Requests with incomplete information will not be processed. Additional processing time may be needed when the campus is closed.

Students must submit an Authorization to Release Education Records to the Admissions and Records Office prior to the release of an education record to a third party. The form can be obtained from the Admissions and Records Office or downloaded from the Admissions link of the college website.

Students are entitled to two copies of their transcripts without cost. Subsequent copies and Hand Carry transcripts are \$3.00 per copy. On Demand transcripts are available for an additional fee of \$10.00. (*Note: Fee is subject to change at any time.*) Transcript requests must include full payment to be processed, and requests will not be processed if there are holds or outstanding financial obligations to the college. Checks or money orders should be made payable to Cypress College. Cash payments are not accepted for mail requests.

Transcript requests should be mailed to Cypress College, Admissions and Records, ATTN: Transcripts, 9200 Valley View St, Cypress, CA 90630-5897

For information regarding electronic transcripts, access the Admissions and Records/transcript link of **myGateway**.

VERIFICATION OF ENROLLMENT

Beginning Fall 2006, Cypress College authorized the National Student Clearinghouse (NSC) to provide degree and enrollment verifications on behalf of the college. NSC provides free, self-service enrollment certificates to students and adheres to the privacy mandates of FERPA (Family Education Rights and Privacy Act of 1974).

Students can request NSC enrollment verification certificates ten business days after the beginning of a term. Access NSC by logging onto www.CypressCollege.edu. Click on "Student Records" under student links. Choose Cypress College Enrollment Verification via National Student Clearinghouse and obtain an enrollment certificate. All other verifications will be charged \$3.00 per request.

WITHDRAWAL OR DROP POLICY

While an instructor may drop a student who has poor attendance, **it is the student's responsibility to officially withdraw**. Students can drop classes by accessing **myGateway** during its posted hours. Failure to withdraw officially from a class can result in a substandard grade being posted on the student's permanent record.

Semester Courses

First two weeks of the term — The student or the instructor may initiate a withdrawal. No notation shall be made on the student's academic record. For exact dates refer to *Important Dates* in this *Class Schedule*.

Third week through twelfth week — The student or the instructor may initiate a withdrawal. A "W" shall be recorded on the student's permanent record. For exact dates refer to *Important Dates* in this *Class Schedule*.

Short Courses

Refer to the comment line under the CRN of the class for withdrawal deadline dates. Every effort has been made to ensure the accuracy of these dates; however, they are subject to change without notice in order to comply with State accounting regulations.

Non Discrimination Statement

The policy of the North Orange County Community College District is to provide an educational, employment, and business environment, including but not limited to, access to its services, classes and programs in which no person shall be unlawfully denied full and equal access to the benefits of, or be unlawfully subjected to discrimination on the basis of gender expression, race, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, or military and veteran status, or as otherwise prohibited by state and federal statutes, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics in any program or activity of the District that is administered by, directly funded by, or that receives any financial assistance from the Chancellor or Board of Governors of the California Community Colleges. Discrimination on the basis of sex or gender also includes sexual harassment.

The following person is designated by the North Orange County Community College District as the Responsible Officer/Section 504 and Title IX Coordinator for receiving and coordinating the investigation of all unlawful discrimination complaints filed pursuant to section 59328 of Title 5 of the California Code of Regulations, and for coordinating compliance with section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act of 1990, Title IX of the Education Amendments of 1992, and response to discrimination complaints related thereto:

Position: Vice Chancellor, Human Resources
Address: 1830 W. Romneya Drive
Anaheim, CA 92801-1819
Telephone: (714) 808-4826

Students and employees who believe they have been subjected to unlawful discrimination, including sexual harassment, or who seek information regarding the District's Unlawful Discrimination Policy should contact the Office of the Vice Chancellor, Human Resources.

Victims of Sexual Assault

Students who are victims of sexual assault occurring on District property or on an off-campus site or facility maintained by the District, or who seek information or assistance regarding a sexual assault, should contact the campus Director of Health Services at (714) 484-7045 or the Director of Campus Public Safety at (714) 484-7455. Except as may otherwise be required by law, all inquiries will be maintained in confidence.

Student Right to Know Campus Security Act

In compliance with the Student Right-to-Know and Campus Security Act of 1990, it is the policy of the North Orange County Community College District and Cypress College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall, 2013, all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period; their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at Cypress College, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, 34% attained a certificate, degree or became "transfer prepared" during a three-year period (fall, 2013, to spring, 2016). Students who are "transfer-prepared" have completed 60 transferable units with a GPA of 2.0 or better.

Based upon the cohort defined above, 15% transferred to another postsecondary institution (CSU, UC, or another California Community College) prior to attaining a degree, certificate or becoming "transfer prepared" during a five-semester period (spring, 2014 to spring, 2016).

More detailed information related to the reporting of criminal actions which have occurred on campus may be obtained from the President's Office, Public Safety, Admissions and Records, Financial Aid, Bursar's Office, Student Activities, Library and the website.

Definitions

ADD AUTHORIZATION CODE

An *Add Authorization Code* (commonly known as the “Add Code”) is a four-digit code that may be issued to a student by an instructor to add a class on *myGateway* once the class has closed. **The add code can only be used to add that closed class** and must be used by the add deadline. Add codes are only valid for the current term and class and must be used before they expire in five days. If the add code is not used by its expiration, another add code must be obtained from the instructor. After entering an add code in the field provided, the student must click on Submit Changes and COMPLETE REGISTRATION.

ADVISORY

When a course has an *advisory*, it means a student is recommended to have certain preparation before entering the course. The preparation is considered advantageous to a student's success in the course. Since the preparation is recommended, the student is advised (but not required) to meet the condition before or in conjunction with enrollment in the course or educational program.

EXAMPLE:

Advisory: Eligibility for ENGL 100 C is recommended for POSC 100 C.

ASSIST

ASSIST is a computerized student-transfer information system that can be accessed online. It displays reports of how course credits earned at one California college or university can be applied when transferred to another. ASSIST is the official repository of articulation for California's public colleges and universities and provides the most accurate and up-to-date information available about student transfer in California. ASSIST is available at: www.assist.org.

ASSOCIATE DEGREES FOR TRANSFER (ADT)

California Community Colleges offer associate degrees for transfer to the CSU. These may include Associate in Arts (AA-T) or Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. California Community College students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.

The AA-T or AS-T degree is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units. To view the most current list of Cypress College Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to www.CypressCollege.edu/services/transfer/adt.aspx.

Current and prospective community college students are encouraged to meet with a counselor to review their options and learn how to develop an educational plan that best meets their goals and needs as it relates to university admission and transfer requirements.

CHALLENGING ADVISORIES, COREQUISITES, AND/OR PREREQUISITES:

Refer to the *Academic Policies Affecting Students* in this *Class Schedule*.

COREQUISITE (COREQ)

When a course has a *corequisite*, a student is required to take a course in combination with (or prior to) another course. Knowing the information presented in the *corequisite* course is considered necessary in order for a student to be successful in the course. Generally, a course cannot be dropped if it is a corequisite of another course.

It is the student's obligation to know and meet course *corequisites*. These are stated in the course description section of the *Class Schedule* and the current *College Catalog*. Corequisites will be enforced at registration. The student may be required to show proof of meeting *corequisites*.

EXAMPLE:

Coreq: Completion of or concurrent enrollment in MATH 040 C is required for CHEM 107 C.

COURSE IDENTIFICATION NUMBERING SYSTEM (C-ID)

The Course Identification Numbering System (C-ID) is a statewide numbering system independent from the course numbers assigned by local California community colleges. A C-ID number listed after a course description signals that participating California colleges and universities have determined that courses offered by other California community colleges are comparable in content and scope to courses offered on their own campuses, regardless of their unique titles or local course number. Thus, if a schedule of classes or catalog lists a course bearing a C-ID number, for example C-ID: COMM 110, students at that college can be assured that it will be accepted in lieu of a course bearing the C-ID COMM 110 designation at another community college. In other words, the C-ID designation can be used to identify comparable courses at different community colleges. However, students should always go to www.assist.org to confirm how each college's course will be accepted at a particular four-year college or university for transfer credit.

The C-ID numbering system is useful for students attending more than one community college and is applied to many of the transferable courses students need as preparation for transfer. Because these course requirements may change and because courses may be modified and qualified for or deleted from the C-ID database, students should always check with a counselor to determine how C-ID designated courses fit into their educational plans for transfer.

Students may consult the ASSIST database at www.assist.org for specific information on C-ID course designations. Counselors can always help students interpret or explain this information.

COURSE REFERENCE NUMBER (CRN)

The *CRN* is the unique five-digit code assigned to a course for a specific time and day for identifying and registering into that course.

CULTURAL DIVERSITY (CUL DIV)

As one of the requirements for graduation, a student must complete at least one course that focuses specifically on multicultural issues. The purpose of the *Cultural Diversity* Graduation Requirement is to broaden and enhance the educational experience of the students at Cypress College. A *CUL DIV* designation under the course number and title indicates the course satisfies this graduation requirement.

ELECTIVE

An *elective* is a course not required for graduation or a particular program. For example, a science student might take *electives* from non-science areas which may include history, art, English, or political science. To assist in choosing *electives*, a student should consult a college counselor.

FEES

Refer to the Fee Calculation Worksheet in this *Class Schedule*. If there are any additional mandatory fees for a class, they are listed under the course description in the *Class Schedule*.

GRADING

If a grading option is not listed, the class is available for a standard letter grade (A, B, C, D, F) only.

If only PASS/NO PASS (P, NP) is listed, the class is available for pass/no pass grading only.

If PASS/NO PASS/LETTER GRADE OPTION is listed, students have the option of taking the class for a standard letter grade or pass/no pass. Students must choose the option they wish, complete the necessary paperwork and submit it to the Admissions and Records Office no later than the fifth week of full semester classes. The deadline for Summer, late start, short-term and open-entry classes is by 30% of the class meetings.

PREREQUISITE

When a course has a *prerequisite*, a student must have certain knowledge to be successful in the course. The prior knowledge may be a skill (types 35wpm), an ability (speaks and writes Spanish fluently), a test score or a successful completion of a prior course (must have completed ENGL 060 C with a grade of “C” or better). Completion of the *prerequisite* is required prior to enrolling in the course, and D, F, NC or NP grades are not acceptable.

It is the student’s obligation to know and meet course *prerequisites*. These are stated in the course description sections of the *Class Schedule* and the current *College Catalog*. Prerequisites will be checked at registration. The student may be required to obtain prerequisite clearance from the Counseling Center.

UNIT

Course work at Cypress College is measured in terms of semester units. A course requires a minimum of three hours of student work per week, per unit. This includes class time and/or demonstrated competency for each unit of credit, prorated for short term, laboratory and activity courses.

CHEMISTRY PROFICIENCY EXAMINATION

Successful completion of the Chemistry Proficiency Examination, administered by the Chemistry Department, clears the chemistry prerequisite (completion of CHEM 107 C, Preparation for General Chemistry) required for enrolling in CHEM 111AC.

No units are given for passing the Chemistry Proficiency Examination, no units are posted to the student's permanent record, nor is the total number of units required to complete any degree reduced.

A student may attempt to pass the Chemistry Proficiency Examination only one time. There is a \$25.00 fee for taking the examination, and the receipt which is to be obtained in the Bursar's Office must be presented at the time of application in the SEM Division Office.

Practice problems similar to those found on the Chemistry Proficiency Examination are available online at:

<http://www.CypressCollege.edu/academics/AcademicPrograms/ScienceEngineeringandMath/Chemistry>

THE CHEMISTRY PROFICIENCY EXAMINATION WILL BE GIVEN
ON THE FOLLOWING DATES/TIMES:
THURSDAY, JULY 12 AT 1:30 PM
FRIDAY, AUGUST 17 AT 3 PM

The Cypress College Honors Program is designed to encourage talent and ability in highly motivated students as they begin their academic studies and prepare to transfer to a four-year college or university. **Students who complete the Honors Program and meet all major transfer requirements will have priority consideration for admission to specific four-year institutions.**

About the Program

Classes are taught by faculty interested in enriching your academic experience with special projects, readings, and class activities. The program provides a unique, seminar environment with close academic and social interaction with outstanding faculty and other highly motivated honors students. Guest speakers, cultural events, and field trips enhance the challenging and creative learning experience.

The Transfer Alliances

Cypress College is a member of the Honors Transfer Council of California. This group has established transfer alliance agreements with many four-year colleges and universities. The transfer alliance agreements guarantee priority consideration for entrance to Honors Students who meet the entrance criteria of the universities.

Requirements for Membership

- ▶ Minimum 3.25 GPA in high school course work, or a 3.0 GPA in a minimum of 6 units of college course, verified by transcripts
- ▶ Eligibility for English 100 C
- ▶ Completion of the Honors Program application

Benefits for Students

- ▶ **Priority consideration for admission at the junior level to selected 4-year colleges and universities**
- ▶ Small classes with a seminar environment
- ▶ Library privileges at transfer colleges and universities
- ▶ Invitation to special Honors Forums, seminars and social events
- ▶ Special counseling and advisement with the Honors Program Director and Honors Counselor

3 Steps to Distance Education Success

Online and Hybrid Courses

1 Prepare for success

Take the Distance Education Readiness Quiz. This free anonymous quiz will help you decide if you're ready for the special demands of online and hybrid courses. These classes require computer, email, and internet skills.

Talk to your counselor. A Cypress College counselor is ready to help you determine how a Distance Education online or hybrid course can fit into your academic plan.

GO TO

The Distance Education home page at www.CypressCollege.edu/academics/distance-education/ and *click on the quiz link.*

2 Choose the right class

Enroll in the course that best fits your needs. Distance Education allows you to take courses that are completely online or that have a range of in-person meeting dates and times. To take these courses you will need access to a computer and the internet, which are available to registered students in the Learning Resource Center. For information on the course that interests you, please refer to the specific course listing in this schedule. To enable contact with your instructor, be sure to update your email address in **myGateway** before you register and add **@CypressCollege.edu** as a secure site (or on your white or trusted list) in your email program.

Online Courses have no in-person classroom instruction. All instruction is online, although some courses may have a few in-person meetings for proctored exams.

Hybrid Courses are taught both in person and online. While a class may not meet every week, those meetings that are scheduled will be listed in the schedule of classes.

3 Get started today

Visit your instructor's home page. Home pages contain valuable course and instructor contact information. If you have questions, your instructors are just an email away.

Monica Vargas was a psychiatric technology and dance student who is continuing her studies at Cypress College in the Registered Nursing program to prepare for an eventual master's degree in psychiatric nursing.

Cypress College "offers a great education and value for my money, as well as many services and licensure programs that are not offered at other locations," she said. "It has helped open many pathways to brighten my future."

Fernando Barboza was a political science and liberal arts major who transferred to UCLA to major in political science with a concentration in international relations. He was in the Honors and EOPS programs, and represented the college as a Student Ambassador.

"As I strolled through campus, I fell in love with the pond, the architecture, and the friendliness of the staff," he said. "Every time I visited campus, I always felt at home; the vibe just felt right."

Chidi Ewenike was a physics and mathematics major who transferred to Cal Poly Pomona to major in electrical engineering. A proud student in the college's (STEM)² Program, Chidi is looking forward to a rewarding career in robotics and automated technology.

Thanking professors and staff members who guided him through his semesters at Cypress, he said, "I do not know where I would be in my life were it not for these individuals and everything they sacrifice for students like myself."

Buen Cypress!
