Whereas, faculty in the Fine Arts and Kinesiology/Athletics Divisions teach in programs that produce degrees and certificates just like other divisions, and;

Whereas, these degree and certificate programs include lab classes that include specific lab activities, problem sets, and unique research, and;

Whereas, this lab activity requires constant action, motion, and supervision on the part of the faculty teaching the lab, and ;

Whereas, labs that require sustained level of faculty action and interaction with students have been deemed worthy of equal pay with lecture units;

Therefore, be it resolved, that;

The Academic Senate of Cypress College supports the compensation of lab instruction by faculty at a rate that is comparable with colleagues teaching lectures in other divisions, and;

The Academic Senate of Cypress College urges United Faculty to negotiate the aforementioned, equitable compensation of lab units for all faculty in all divisions equally.
