

### A Letter from the President...

Welcome to Cypress College and to the beginning of the 2015 spring semester. As a member of the Charger family, you will see a beautiful campus with facilities to match the excellence of its programs. Our commitment to students is significantly reflected in the exciting things taking place in our classrooms and instructional labs.

This 2015 Class Schedule offers a wide range of options to help you in making choices about your educational and/or career goals. As you consider your options, if you find that you have questions—particularly if you are undecided about your major or field of study, or are unsure of the next steps in our process—our outstanding staff of dedicated counselors and student support members are eager to help you. They can provide the guidance you need to help you make the best decisions about your future.

Cypress College has a proud history of providing students with affordable, quality education along with the support necessary for success. Our faculty is dedicated to excellence in the classroom and ongoing support for students. Our commitment to support for your success is our highest goal.

Although your academics come first, we also encourage you to take advantage of opportunities for participation in the broader aspects of life at the College. Take advantage of the wide range of available student support services, which include counseling, tutoring, financial aid, health services, and study skills classes. Our student support programs are designed for your easy access and convenience. Located in our Student Center you will find Admissions and Records, the Assessment Center, Bursar's Office, Career and Transfer Center, Counseling, and full-service dining options in our Charger Café. Our College Bookstore is located immediately next to the Student Center in the front of the College. Other services, including math and English tutoring, supplemental instruction, and Peer-Assisted Learning, can be found in the Library/Learning Resource Center. Our staff members will be happy to help you access these services.

Cypress College is a special place that welcomes students from all backgrounds and with a variety of goals and needs. You will find here a vibrant community of learners and staff members committed to your success. We believe that the most-special aspect of the College is our students, you who are achieving extraordinary results in the classroom, in student government, in our performing arts productions, in our athletic events. You will have the opportunity as a Cypress College student to participate in these and other activities that support your education, but that also provide the opportunity for you to serve and give back to the community.

We wish you every success in your pursuit of education, and pledge to you the support you need to attain your goals. It is my sincere hope that I will have the honor of congratulating you at one of our graduation ceremonies in the not-too-distant future.

### Carta del Presidente...

Bienvenidos a Cypress College y al comienzo del semestre de primavera del año 2015. Como parte de la familia Charger disfrutarás tanto de la belleza de nuestras instalaciones como de la excelencia educativa de nuestros programas. Nuestro compromiso hacia nuestros alumnos se evidencia en todo lo emocionante que sucede dentro de nuestras aulas y laboratorios educativos.

En este horario de clases encontrarás muchas opciones que te ayudarán a planificar el camino académico que vas a recorrer o la profesión que vas a ejercer. Si al considerar tus opciones te surge alguna duda, sobre todo si no has decidido aún qué vas a estudiar o si no estás muy seguro de qué especialización o campo de estudio elegir, tienes a tu disposición excelentes y atentos consejeros y miembros del equipo de apoyo estudiantil listos para ayudarte. Ellos te podrán guiar para que tomes la decisión más acertada con respecto a tu futuro.

Cypress College se enorgullece de su trayectoria a la hora de proporcionar a los estudiantes una educación asequible y de calidad, así como el apoyo necesario para que triunfen. Asimismo, nuestro cuerpo docente está dedicado a la excelencia en el aula y a brindar apoyo continuo a los estudiantes. Estamos plenamente comprometidos con tu éxito académico.

Aunque la parte académica es la principal, también te animamos a que les saques provecho a las muchas oportunidades que te brinda la vida universitaria en Cypress College, Aproyecha la amplia gama de servicios de apoyo estudiantil disponibles, que incluye consejería, tutoría, ayuda financiera, atención médica y clases para mejorar tus hábitos de aprendizaje. Contamos con programas de apoyo estudiantil de fácil acceso y que se adaptan a tus necesidades. En el centro estudiantil (Student Center), encontrarás la oficina de admisiones y de registros (Admissions and Records), el centro de evaluaciones (Assessment Center), la tesorería (Bursar's Office), el centro de carreras y transferencias (Career and Transfer Center), la oficina de conseiería (Counseling) y nuestra cafetería Chargers que ofrece opciones para todos los gustos. La librería de la universidad (College Bookstore) está justo al lado del centro estudiantil, en la parte delantera de la Universidad. En el centro de recursos para el aprendizaie (Learning Resource Center), que está ubicado en la biblioteca, encontrarás otros servicios, tales como tutores de inglés y matemáticas, clases suplementarias y aprendizaje asistido por otros estudiantes. Nuestro personal no dudará en ayudarte para que puedas usar estos servicios.

Cypress College es un lugar especial, que les abre sus puertas a todos los estudiantes, independientemente de su origen, necesidades u objetivos. Aquí descubrirás una comunidad dinámica de personas comprometidas con tu éxito académico. Para nosotros, lo más especial de nuestra Universidad son los estudiantes que logran resultados extraordinarios en el aula, en el gobierno estudiantil, en nuestras producciones de artes escénicas y en nuestros eventos deportivos. Como estudiante de Cypress College, tendrás la oportunidad de participar en éstas y en otras actividades que complementan tu educación, y a la vez te ofrecen la oportunidad de servir a la comunidad y de devolverle parte de lo que ésta te ha brindado.

Te deseamos todo el éxito posible en tus metas educativas, y nos comprometemos a apoyarte para que logres dichos objetivos, y espero tener el honor de felicitarte en tu ceremonia de graduación en un futuro no muy lejano.

Bob Simpson, Ed.D. President

Cypress College has made every reasonable effort to determine that everything stated in this Class Schedule is accurate. This publication is prepared in advance of the time period it covers; therefore, changes in courses and programs offered, together with other matters contained herein, are subject to change without notice by the administration of Cypress College. The College reserves the right to cancel any class for which the enrollment is not sufficient to warrant continuation, and to change the class hours and/or days as necessity demands. Student fees and instructional fees are subject to change after the printing of the Class Schedule.

Throughout the registration process (including class petitioning), certain deadlines must be established. These deadlines are necessary in order to comply with state attendance laws and must be complied with by all students. Failure to comply with these deadlines may mean that the student will not be registered and will not receive credit or be allowed to attend classes.

Cypress College is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges.

# Six Easy Steps to the Registration Process

1

### **Apply Online**

- New students apply to the college at www.CypressCollege.edu
- Returning students apply to the college at www.CypressCollege.edu
- Continuing students do not need to reapply

4

### Counseling

- Meet with a counselor by appointment or walk-in
- Recommend COUN 140 C class
- Bring in assessment scores, high school and/or other college transcripts for course placement and prerequisite clearance
- Counseling is located on the 2nd floor of the Student Center

2

### **Assessment**

- To enroll in math, English, ESL and reading classes students must take the placement test
- Bring transcripts from other college or universities for completed English/Mathematics coursework
- The Assessment Center is located on the 2nd floor of the Student Center
- Orientation appointments are scheduled by the Assessment Center

5

### **Financial Aid**

- Apply for financial aid at www.fafsa.ed.gov or the California Dream Application (for eligible AB 540 students)
- The Financial Aid Office is located on the 1st floor of the Cypress College Complex
- Visit the Financial Aid website at www.CypressCollege.edu

3

### **Orientation**

- New students are required to attend a 1½ hour orientation
- Students will receive assistance with their class planning and a one semester education plan
- Students can attend the in-person or online orientation

6

### **Register for Classes and Pay Your Fees**

### **APPLICATION FOR ADMISSION**

The Application for Admission can be accessed using www.CypressCollege.edu. Click on "Apply NOW!" and follow the instructions. March 1 is the first day applications are accepted for Summer and Fall semesters. October 1 is the first day applications are accepted for the Spring semester.

2

### **ASSESSMENT CENTER**

Students are evaluated in reading, writing, and mathematics. Students registering for Math 015 C or higher should take the Math Placement test and have transcripts indicating all math prerequisite classes completed. Placement testing can be waived if you bring transcripts and/or test scores from another California community college to the <u>Assessment Center</u>. Transcripts are used as an extra measure of your skills. You may be exempt from some assessment if you are:

- 1. A college or university graduate.
- 2. Already assessed at another California community college.

NOTE: If you do not meet the above exceptions, you should complete assessment and counseling prior to registration or you could be electronically blocked from *myGateway*.

PLEASE NO BEEPERS or CELL PHONES. CHILDREN ARE NOT ALLOWED.

Allow at least 2 hours per test process.

You must bring the following items with you for your assessment testing:

- 1. Cypress College ID Number
- 2. Photo ID
- 3. #2 Pencil
- 4. Unofficial College Transcripts

4 / CypressCollege.edu SPRING SCHEDULE 2015

# Understanding your Basic Skills Assessment Results

Assessment of your basic skills is an important step in learning more about yourself as you choose courses in which you can be successful. These tests, however, cannot tell you everything you need to know when making your course selections. Your success is also influenced by a variety of other factors, such as your:

- · educational background
- goals
- study skills
- work and family priorities

A counselor can assist you in selecting the most appropriate courses.

### What do my Test Results tell me?

The basic skills tests are for placement purposes only. After each testing session, you will receive a receipt that will indicate:

- the tests you have taken
- the date the tests were taken
- the number of questions you answered correctly for each test
- course placement recommendations

### Should I Retest?

NO, retesting is not necessary because test scores are just one of many factors considered when course recommendations are made. Keep in mind that a low score does not indicate failure but perhaps a need to develop or enhance your skills. You may need to take a lower level the first semester to gain the necessary skills.

### What do I do with my Results?

After assessment, you need to sign up for a Cypress College orientation session. The orientation will provide you with:

- important information about your assessment results
- academic advisement in a small group setting
- hints that will help you be successful in college
- information about Cypress College programs and services
- campus policies and procedures
- graduation and transfer requirements
- a review of the campus map and parking directions

**Assessment Exemption:** Students may qualify for an exemption from the <u>assessment requirement</u>. To be eligible for this exemption, you must have met **both** the English and Math assessment requirements by answering yes to one or more of the following:

- I have completed with a grade of "C" or higher, an English and/or math course at another regionally accredited college or university.
- I have taken an English and/or Math assessment tests at another California Community College within the last 2 years,
- I have a score of 3, 4, or 5 on the Advanced Placement (AP) English Composition and Literature and/or Math exam. or
- I have received a "Ready for CSU or participating CCC college-level English and/or Math course" score on the EAP exam ("conditional" results are not accepted).

If you meet the above requirements, please contact Jessica Nelson in the Admissions and Records Office or via email jjnelson@CypressCollege.edu to determine your eligibility. Documentation is required.

### **ACCOMMODATIONS FOR STUDENTS WITH DISABILITIES**

Students with verified disabilities may be eligible for accommodations such as extended time on assessment tests. Contact the Disabled Students Program & Services at (714) 484-7104 for information.

### CTEP: College Test English Placement (For Native Speakers of English)

The CTEP is designed to measure the English skills of native speakers of English. It is required for proper placement in English courses. Exemptions are: Completions of an AA degree or higher, enrollment in one class that has no prerequisite, transcripts/grade reports showing completion of college English with a grade of "C" or better. The CTEP may **not be** used for placement in ESL courses. **YOU WILL BE IN SESSION FOR 2 HOURS.** 

## CELSA: English as a Second Language (Non-Native Speakers of English and F1 Visa Students whose first language is not English)

CELSA is designed to measure the English skills of non-native speakers of English. CELSA is required for proper placement in English as a Second Language (ESL) courses; the CTEP may not be substituted for placement in ESL courses. However, students scoring high on the CELSA may be referred to take English courses for native speakers. **YOU WILL BE IN SESSION FOR 2 HOURS.** 

### MDTP: Mathematics Diagnostic Testing Project

All students who have not taken a math course at Cypress College are required to take the MDTP before enrolling in the following mathematics courses: MATH 015 C, 020 C, 030 C, 038 C, 040 C, 100 C, 110 C, 115 C, 120 C, 130 C, 141 C, 150AC. Exemptions exceptions are enrolling in MATH 010 C or MATH 041 C, providing transcripts/grade reports indicating completion of the above courses with a grade of "C" or better within the last two years. Math recency is very important. Please review course listings and prerequisites. Review sample questions; the MDTP has four levels from which to choose. NO CALCULATORS! YOU WILL BE IN SESSION FOR 2 HOURS.

3

### **ORIENTATION**

**New Students** are required to attend a one and one-half hour orientation to the college system. Orientation appointments are made at the conclusion of the assessment testing. Students will receive information on programs, policies and registration procedures. Participate by bringing your email *Permit to Register* to the session. Placement test results will be interpreted along with a review of previous academic courses. Bring transcripts from all other schools. A counselor will help you choose your first semester classes. The counselor will then approve your semester plan.

Orientations will be offered beginning October 2014. Appointments can be made at the Assessment Center or Counseling Center, located on the second floor of the Student Center. For more information please call (714) 484-7223, or (714) 484-7015.

SPRING SCHEDULE 2015 CvpressCollege.edu / 5

Students may elect to complete an online orientation by visiting this address: http://www.CypressCollege.edu/admissions/gettingstarted/orientation. If you choose to complete your orientation online, you will need to make a counseling appointment to complete your first semester education plan.

#### COUNSELING

Continuing and Returning Students may see a counselor prior to registration and are strongly advised to do so before the end of the semester. Counseling is available during the day by appointment or walk-in (when available) in each division on campus until the end of May.

Walk-in counseling is available in the Counseling Center on the second floor of the Student Center.

Counseling appointments can be made by calling (714) 484-7015. Walk-in appointments are also welcomed, but appointments are encouraged.

### **COUNSELING CENTER HOURS:**

MON-THU 8:00 am- 6:00 pm FRI 8:00 am-12:00 pm\*

\*Counselors available from 8:00 am-11:30 am

**Students** who have previous college experience, or who are returning Cypress College students will need to see a counselor before registration. Clearance of prerequisites are reviewed by a counselor. A counselor will assess previous course work to determine placement in classes. Please bring any transcripts or grade reports to assist the counselor in evaluating previous course work.

**New Students** will be counseled in the orientation session as outlined in STEP 3.

Reviewing the current *Class Schedule*, along with the *College Catalog* will help you understand all the steps necessary for an easy matriculation and registration process. When coming to the campus for registration activities, always bring the registration email sent to you, ID number, Photo ID and a #2 pencil.

### **TRANSCRIPTS**

Official transcripts from other colleges or universities are required for:

- NEW students
- RETURNING students who have attended other colleges or universities since their last enrollment at Cypress College.
- Students who plan to graduate or complete a certificate at Cypress College and/or transfer from Cypress College, if they have attended other colleges or universities.
- Veterans collecting educational benefits, if they have attended other colleges or universities.
- Students needing to show completion of course prerequisites who may use personal copies.
- High school transcripts are required for students who have graduated within the last 2 years.

Cypress College
Enrollment Fee Waiver
Board of Governors Waiver (BOGW) Application Process

### WHAT IS BOGW?

BOGW (Board of Governors Fee Waiver) is a state sponsored program which waives enrollment fees only for qualifying students. You may be eligible for a fee waiver even if you are not eligible for other financial aid.

#### WHERE DO I START?

Log onto myGateway and click on Financial Aid to fill out an online application.

### **HOW DO I APPLY?**

To apply for the BOGW you must complete the online application and turn required documents in to the financial aid office. The application has two methods for qualifying.

### Method A:

Is for students on public assistance programs: TANF/CalWORKs, SSI/SSP, SSAI, SSAS, General Assistance. It is also for dependents of disabled or deceased California Veterans or National Guard and as a recipient of the Congressional Medal of Honor or as a child of a recipient, or a dependent of a victim of the September 11, 2001 terrorist attack. Certification must be obtained from the appropriate agency. Documentation will be required to verify your eligibility. This documentation must be dated within the last 30 days.

### Method B:

Is for low income students whose previous year income was within qualifying income guidelines.

### WHAT IF I AM ELIGIBLE?

If eligible, the Financial Aid Office will approve and enter a waiver status on the computer system so that student is not assessed an enrollment fee for the semester.

### WHAT DO I DO NEXT?

Go to the Admissions and Records Office and register for your courses, paying all other fees assessed (i.e., parking, student ID, lab fee, etc...)

### **DO I NEED TO KNOW ANYTHING ELSE?**

If you need help with books, supplies, food, rent, transportation and other costs, please complete a FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA) or the California Dream Application (for eligible AB 540 students) immediately. Contact the Financial Aid Office for more information. The FAFSA is available at www.fafsa.gov and the Dream Application is available at www.csac.ca.gov.

6

### REGISTRATION

Continuing students will be assigned registration appointments based on units/ hours earned at Fullerton and Cypress Colleges. New and Returning students will be issued a registration appointment based on the date the Application for Admission was received. Be advised that assessment, orientation and an education plan impacts registration appointments.

Registration appointments and other necessary information will be sent by email. All students should register on their assigned date and time; however, registration appointments do not guarantee enrollment into any class.

The Class Schedule contains several pages that provide useful registration information. It is recommended that students read the information prior to registering for classes.

Yahoo users are recommended to obtain an email address from another provider in order to receive electronic correspondence from the college.

### SPECIAL ADMIT WEEK

January 20-22, 2015

All Special Admit students must submit the online admissions application prior to registering for classes.

Each semester, a completed Special Admit Form with appropriate approvals must be submitted to the Admissions and Records Office the Monday–Thursday prior to the first day of the term.

Special Admit students register January 22, 2015 at 4:00 pm.

### **Cypress College — Spring 2015**

# Continuing Student Registration Schedule

- Continuing students are those enrolled in Fall 2014 classes and will receive letter or "W" grades at the end of the term. They will
  receive a registration email that provides their priority registration date and time for Spring 2015.
- Registration appointments can also be viewed by logging onto myGateway and clicking on "Check Registration Appointment" under Registration Tools on the student tab.
- Registration appointments are based on <u>units/hours earned</u> through Summer 2014 at both Cypress and Fullerton Colleges. Having attended both institutions requires adding together the <u>units/hours earned</u> at both colleges.
- <u>Units/hours earned</u> can be determined by logging onto *myGateway* at www.CypressCollege.edu. Click on both **Student Records** and **View Unofficial Web Transcript**.
- Veteran students who are active or former members of the United States Armed Forces who are within two years of their date
  of separation from active duty may qualify for priority registration (CA Senate Bill 272 effective January 1, 2008). For priority
  registration approval, submit the military ID, DD214 or N.O.B.E. (Notice of Basic Eligibility) to the certifying official of Veterans
  Affairs, located in the Veterans Resource Center in the Cypress College Complex.
- Special Admit students begin registering on Thursday, January 22, 2015, at 4:00 pm.
- Students should register on their assigned date and time for a better selection of classes; however, enrollment is not guaranteed into any class.
- The Class Schedule contains several pages that provide useful registration information. It is recommended that students read the information prior to registering for classes.
- Registration is subject to established deadlines for adding, dropping, payments and refunds.
- Yahoo users are recommended to obtain an email address from another provider in order to receive electronic correspondence from the college.

# **Registration Information**

#### REGISTRATION EMAIL

A registration email informs students of the first registration appointment available based on their eligible priority. For the best selection of classes, register on the date and time indicated in the email; however, the email does not guarantee enrollment into any class. Registration appointments can also be viewed by logging onto myGateway and clicking on "Check Registration Appointment" under Registration Tools on the student tab.

New students are those who have never attended Cypress or Fullerton College. New students will receive registration information by email based on the date their online Application for Admission is received.

Returning students are those who have previously attended Cypress or Fullerton College but did not register into a class for the Fall 2014 semester. Returning students will receive registration information by email based on the date their online Application for Admission is received.

Continuing students are those currently registered at Cypress or Fullerton College and will complete the term with a letter grade or "W." If a letter grade or "W" is not received, the student forfeits their continuing student status. They must submit a new online Application for Admission as a Returning student.

Special Admit students are those enrolled in K-12 and must submit an online Application for Admission and a Special Admit Form. Registration information will be received by email based on the date the online Application for Admission is received. Each semester, a Special Admit Form must be completed and submitted to the Admissions and Records Office the Monday-Thursday prior to the first day of the term.

#### REGISTRATION INFORMATION

The Class Schedule contains several pages that provide useful registration information. It is recommended that students read the information prior to registering for classes.

#### **BEFORE YOU REGISTER**

- Ensure you are registering on or after your assigned appointment during myGateway registration hours.
- Clear all outstanding fees or holds. Non-clearance will delay registration.
- Get counselor clearance for math, English, ESL, reading classes and prerequisites.
- Make sure the Admissions and Records Office has your correct name, personal and email addresses and phone numbers.
- Use the Class Planning Sheet to prepare your tentative class schedule.
- Verify financial aid eligibility with the Financial Aid Office.

### ON YOUR REGISTRATION APPOINTMENT DAY

Complete the *myGateway* Registration Worksheet and log onto www.CypressCollege. edu. Click on the myGateway logo and follow the prompts. With the exception of nightly maintenance, myGateway is available 7 days a week, 24 hours a day.

### **ADDING CLASSES**

Providing prerequisites and/or corequisites have been cleared by a counselor, and class seats are available, classes can be added during myGateway registration. Once a class begins, students must obtain a four-digit Add Code from the instructor of each class they wish to add. Refer to the How to Add/Drop a Class and Waitlist pages for further instructions. Refer to the deadlines listed in the Class Schedule. The neglect of adding a course can result in no credit or grade earned for the course.

### **CANCELLED CLASSES**

The college reserves the right to cancel any class it is unable to offer. Select alternate classes and list them on your Class Planning Sheet in case any of your classes are cancelled.

#### **DROPPING CLASSES**

While an instructor may drop a student that has poor attendance, it is the student's responsibility to officially withdraw when unable to continue the class. Students that wish to drop a class or withdraw from the college must drop using **mvGatewav**. Refer to the deadlines listed in the Class Schedule. See the How to Add/Drop a Class page for further instructions.

The neglect of dropping a course can result in a substandard grade posted on your permanent student record.

#### PETITIONING CLOSED CLASSES

Students may petition closed classes by opting for the Waitlist before the class begins or by attending the first class meeting. Waitlist information can be found in the next column and on the Waitlist page in the Class Schedule. If a seat is available the first class meeting, the instructor will issue the student a four-digit add code. By the add deadline, the student must access myGateway and add the class entering the add code when prompted. A student is not officially registered for a class (even if the instructor calls or writes names on the class roster) until the student adds the class and fees have been paid through myGateway.

### CONCURRENT ENROLLMENT

Concurrent enrollment requires a student to register for more than one class. Register for both the lecture and lab classes when both are required. Register for the lecture, lab and problem solving classes when all three are required.

### **COURSE REPETITION**

As a general rule, students may not register in a class if a passing grade has previously been received or the maximum number of repetitions allowed have been completed. Contact Admissions and Records for additional information.

### **EMAIL AND ADDRESS CHANGES**

- If you pay by VISA or MasterCard, come into the Admissions and Records Office and update your personal address information, if necessary.
- Email, personal addresses and phone numbers can be updated by accessing the Personal Information channel of myGateway under the Student tab.

### **FEES**

Fees are due immediately upon registration. Cypress College does not bill for unpaid registrations. Students with unpaid fees may be dropped from classes to free up seats for other students seeking to register.

Students with BOGW Enrollment Fee Waivers are reminded that the waiver covers enrollment fees ONLY. Students MUST submit payment for the student ID fee, material, health and parking fees and any other charges indicated. Check with Financial Aid to verify payment eligibility for enrollment fees.

### **MAXIMUM UNITS/HOURS**

A maximum unit load for any student is 19 units and 12 units qualifies as full time enrollment. A student may carry over 16 units with counselor approval.

The *myGateway* system will not allow students to register for two or more classes which are scheduled during the same time period. A Petition for Exception must be submitted to Admissions and Records to request approval for class time conflicts.

### **PARKING PERMIT**

Students paying for parking on myGateway after January 11, 2015 will be required to pick up their parking permit in the Bursar's Office or Admissions and Records Office. The parking permits are valid in all student parking lots at Cypress College, Fullerton College and our Anaheim Campus. Public Safety will ticket for no student permit beginning the second week of the term.

### SCHEDULE/BILL

The Schedule/Bill includes a list of your classes, fees and payments, and is proof of your registration. You may use myGateway throughout the term to check or print your schedule. Many offices will require you to show a valid ID prior to providing you services.

### WAITLIST

A waitlist is an electronic list of students that are petitioning a closed class. The list is prioritized according to the date and time students opt for the waitlist. Waitlist size is determined by the division. Waitlisting does not guarantee enrollment into any class and not all classes have waitlists. Waitlisted students must attend the first class meeting and meet all registration requirements to be considered for an add code.

When myGateway advises that a class is closed, a student can choose the option to be placed on the waitlist. If a seat becomes available, the waitlisted student will be notified via email that they have 48 hours to add the class through *mvGateway*. The email will be sent to the preferred email address on file. Students can also access myGateway and check Personal Announcements for seat advisements for waitlisted classes. Yahoo email users should check myGateway daily for information regarding their waitlist status.

Yahoo users are recommended to obtain an email address from another provider in order to receive electronic correspondence from the college.

Refer to the "WAITLIST" page in the Class Schedule for complete waitlist information.

NOTE: Throughout the semester/school year, the District may sponsor voluntary off-campus extracurricular field trips/excursions. If you choose to participate, be advised that pursuant to California Code of Regulations, Subchapter 5, Section 55450, you have agreed to hold the District, its officers, agents and employees harmless from any and all liability or claims which may arise out of or in connection with your participation in the activity.

### Before You Register:

- Refer to your registration email. Registration appointments can also be viewed on myGateway/Registration Tools.
- 2. Clear all outstanding fees or holds. Non-clearance will delay registration.
- 3. Get counselor clearance for math, English, ESL, reading classes and prerequisites. Non-clearance will delay registration.
- 4. Make sure the Admissions and Records Office has your correct name, personal and email addresses and phone number.
- 5. Use the *mvGatewav* Registration Worksheet and Class Planning Sheet to prepare your tentative class schedule.
- 6. Verify financial aid eligibility with the Financial Aid Office. Non-verification can result in unexpected fees and being dropped for nonpayment.
- 7. Read and follow all registration instructions provided in the Class Schedule prior to registering for classes.
- 8. Students should register on their assigned date and time for a better selection of classes; however, enrollment is not guaranteed into any class.

# *myGateway* **Available 7 days a week – 24 hours a day**

*myGateway* requires nightly maintenance, and generally occurs from 12:00 midnight to 6:00 am.

If you register and attempt to pay your fees by credit card, you may receive a message that your payment cannot be processed. Please return to *myGateway* at a later time and make your credit card payment.

**AVOID LINES AND PARKING TICKETS:** Pay for parking by January 11, 2015 and your permit will be mailed to you.

### STEP 6 FEE PAYMENT

The amount shown next to your "Account Balance" is due and payable immediately. Cypress College <u>does not bill for unpaid registrations</u>. Students with unpaid fees may be dropped from classes to free up seats for other students seeking to register. Select either "Credit Card Payments" or "Check or Money Order Payments" and follow the prompts.

**Note:** If paying by credit card, you must resubmit the term you registered for.

Your **Schedule/Bill** includes a list of your classes, fees and payments, and is proof of your registration. You may use *myGateway* throughout the term to check or print your schedule.

If you decide not to attend any classes you have registered for, it is your responsibility to officially drop within published deadlines.

# Frequently Asked Questions...

### What is a waitlist?

A waitlist is an electronic list of students that want to enroll in a closed class. Waitlist size is determined by the division. Waitlisting does not guarantee enrollment into any class and not all classes have waitlists. Waitlist students must meet all registration requirements, including time conflicts and prerequisite requirements.

### How do I place myself on a waitlist?

- Log onto myGateway and go to Registration Tools. Click "Add or Drop Classes".
- Enter the five-digit CRN of the class. You will be advised if the class is closed and given the option of adding the waitlist if waitlist seats are available.
- Use the drop down menu and select "Waitlist". Click "Confirm Your Choices".

### How do I remove myself from a waitlist?

- Log onto myGateway and go to Registration Tools. Click "Add or Drop Classes".
- Use the drop down menu and select "Waitlist Drop". Click "Confirm Your Choices".

### Can I add myself to more than one waitlist?

You can waitlist for more than one class but you CANNOT waitlist for two sections of the same class.

### How can I monitor my waitlist status?

Log onto *myGateway* and go to Registration Tools. Click "Check Waitlist Status". It is recommended that you frequently check your waitlist status.

### How will I know if a seat in the class becomes available while I am on the waitlist?

- You will be notified via a Personal Announcement on myGateway.
- Log onto myGateway. Go to Personal Announcements. Click "Check Waitlist Status".
- If a seat is available, you will see the date and time the seat notification will expire.

### How long do I have to add the class when a seat becomes available?

You have 48 hours from when the seat notification was sent to you to add the class OR until midnight prior to the first day of the class, whichever comes first. If you miss the 48-hour deadline, your name is automatically removed from the waitlist and the next waitlisted student is notified of the available seat.

### How do I add the class if I receive the notification that a seat is available?

- Log onto myGateway and go to Registration Tools. Click "Add or Drop Classes".
- Go to the specific waitlisted class in your list of classes.
- Use the drop down box and choose "Register Web". Click "Confirm Your Choices" and "Complete Registration".
- Pay your fees immediately in order to prevent being dropped for non-payment.

### What if I am on a waitlist but no seat becomes available before the first class meeting?

You must attend the first class meeting. Your name will appear on the instructor's roster as waitlisted. If there are seats available, the instructor will provide you with a four digit Add Authorization Code. You must add the class via *myGateway* entering the add code when prompted. The class must be added by the add deadline. Check the Class Schedule for the deadlines of semester and less than semester length classes.

Yahoo users are recommended to obtain an email address from another provider in order to receive electronic correspondence from the college.

# Cypress College — Spring 2015 How to Add/Drop a Class

All Registration, Adds, Drops and Withdrawals are to be completed online through myGateway.

### Adding a Class

**Prior to the first day of class** If the class is OPEN, an Add Authorization Code is <u>not</u> required. If the class is CLOSED, a

Waitlist option may be offered and the student must comply with its requirements. However, there is no guarantee of enrollment into the class, and not all classes will have waitlists.

Starting the first day of class An Add Authorization Code is required for most classes. Attend the first class meeting

of the class you wish to add. If seat space is available, ask the instructor to give you a four-digit **Add Authorization Code**. Instructors may not be able to grant all requests for

Add Authorization Codes.

 IMMEDIATELY access myGateway registration at http://mygateway.nocccd.edu. Log in and click on Register for Classes.

- 2. Select the term Cypress College/Fullerton College Spring 2015 and click **Submit**.
- 3. Enter the five-digit CRN (Course Reference Number) in the "CRN" box and click on **Confirm Your Choices**.
- 4. If prompted, enter the four-digit Add Authorization Code in the field provided.
- Click on the VALIDATE button. If the code is approved, continue to Step 6.If the code is not approved, you will need to obtain another add code from the instructor.
- 6. Click on **Submit Changes** and confirm the status of your class.
- 7. After confirming that the class has been added, click on **COMPLETE REGISTRATION**.
- 8. Print a Schedule/Bill to ensure official adding of the class.
- 9. Pay your fees immediately or you may be dropped for non-payment.

The Add Authorization Code is commonly known as the "Add Code" and is good for five days. If you receive an error message when you use the add code, you must first correct the related problem before the class can be added. If the five days expire before correcting the problem, you must obtain another add code from the instructor. A separate four-digit add code is required for each class you wish to add and is only valid for the current term and class.

### Dropping or Withdrawing from a Class

- Access myGateway Registration at http://mygateway.nocccd.edu. Log in and click on Register for Classes.
- 2. Select the term <u>Cypress College/Fullerton College Spring 2015</u>.
- 3. From the drop down menu, choose **Drop Online** or **Withdrawal-Web** for the classes you wish to drop.
- 4. Click on **Confirm Your Choices** to drop your classes.
- Check under Status on the left of the screen to confirm the Drop Online or Withdrawal-Web status before exiting myGateway.
- 6. Print a Schedule/Bill to ensure official dropping of the class.

**Waitlisted students** Refer to the "WAITLIST" page in the Class Schedule for complete waitlist information on how to add a waitlisted class or drop a waitlist.

Adding, Dropping and Withdrawing from classes are subject to established deadlines. It is the student's responsibility to officially add and withdraw from classes.

Verify added and dropped classes on your Schedule/Bill.

# Cypress College — Spring 2015 Fees and Refunds

While all reasonable efforts have been made to present complete and accurate fee information, changes in state funding may result in fee changes for the 2014–2015 academic year.

### **HEALTH FEE**

Pursuant to Education Code and district policy, Cypress College has a mandatory health fee. The health fee is \$17.00 per semester (\$14.00 for summer intersession) for each student regardless of the number of units taken. The health fee and/or health fee exemptions are subject to change should the state legislature take action to change them.

Any student who depends exclusively on prayer for healing in accordance with the teachings of a bona-fide religious sect, denomination or organization is exempt from paying the health fee. Upon request, the health fee will be refunded to any student who withdraws from all courses prior to the 10% date of the length of the course.

### **MATERIAL FEES**

Students enrolling in classes with material fees will be required to pay the fee(s) at the time of registration (see individual course).

### **NON-RESIDENT TUITION**

Non-residents of the State of California are charged tuition at \$212 per unit which includes the \$19.00 Capital Outlay fee per Education Code Section 76141. Non-resident tuition is *in addition* to the enrollment fee required to be paid by all students. If you believe you should be reclassified as a resident student, it is your responsibility to request a change in your classification in the Admissions and Records Office prior to registration. If you are a non-resident seeking a waiver of the \$19.00 capital outlay fee due to financial hardship, contact the Admissions and Records Office.

### **OTHER FEES**

Associated Student Benefits Sticker**	\$ 7.00
Parking	
Automobiles**	\$35.00*
(special sticker available for open vehicles)	
Two-wheeled Motorized Vehicles**	\$20.00*
Public Parking — per day	\$ 2.00
Photo ID/New or replacement**	\$ 2.50
Student Representation Fee	\$ 1.00

- \*Please note that your Cypress College Parking permit will be honored for all student parking lots at Cypress College, Fullerton College and our Anaheim campus.
- \*\*Students requesting or paying for parking, photo ID, or the AS Benefits sticker on **myGateway** after January 11, 2015, will be required to pick up these items in the Admissions and Records office or the Bursar's Office during regular business hours.

NOTE: Campus Safety will ticket for no student parking permit beginning the second week of the term.

### **CAMPUS PHOTO ID CARD**

Students are strongly encouraged to purchase a Campus Photo ID Card. Students pay a \$2.50 service fee at the time of registration and receive a validation sticker upon payment of the fee. New and returning students may obtain a Campus Photo ID Card upon presentation of their Enrollment Receipt showing proof of payment of the fee and a valid photo ID (i.e. Driver's License or California ID card). Continuing students can get a validation sticker for the current semester and place it on their existing Campus Photo ID Card. The Campus Photo ID Card includes the student's photo, signature, permanent number and a scannable bar code. The Campus Photo ID Card is required for the following services:

- · all campus labs
- · Library, Financial Aid, Bursar's Office, and Student Affairs
- check or credit card purchases in the Bookstore

Cards that are requested but not picked up by the end of the last day of the semester will be voided and not refunded.

#### **PARKING**

An optional parking fee of \$35.00 for automobiles (\$30.00 for students who receive the BOGW fee waiver) and \$20.00 for motorcycles has been authorized by the District Board of Trustees (Education Code 25425 and 25425.1).

Payment of this parking fee may be made at the time of registration. Those who pay the fee will receive a parking permit which will authorize them to use any of the six parking lots open to student parking and designated student parking on Circle Drive, designated student parking at Fullerton College and designated student parking at our Anaheim campus. The parking permit does not guarantee a parking space, but will permit parking in designated spaces at all three campuses. Replacement cost is \$35.00 if lost or stolen. (\$1.00 replacement fee with police report of theft.)

NOTE: Campus Safety will ticket for no student parking permit beginning the second week of the term!

Disabled Persons Vehicles — Vehicles displaying the proper Disabled Person Placards or license plates may park in disabled parking, student parking and limited parking zones. A valid student permit or day permit must also be displayed during the times listed below. There are Disabled Person Parking spaces available in all campus lots, which are marked with the traditional blue sign and symbol. Disabled persons are encouraged to use those spaces. Use caution when parking, and do not park on any areas blocked out next to the disabled parking. These blocked out areas are unloading areas, and ALL vehicles can be cited for blocking them. The fine is \$290.00.

MON-FRI 7:30 am-5:00 pm

**Parking Availability** — One day parking permit dispensers are available in various lots for \$2.00 per day.

Parking Enforcement — Failure to display a parking permit or one day permit on your vehicle or a parking sticker on your motorcycle will result in a parking citation issued by Cypress College Department of Campus Safety. The fine for parking without a parking permit is \$37, all other fines range from \$37–\$290 depending on the violation. Please note you must pay or contest the citation within 21 days from the date of the citation or the fine will be doubled. A copy of the Cypress College Parking Regulations is available at registration or in the Campus Safety office on the first floor of the Business Building. Any vehicle found parked on Cypress College property that has (3) or more un-paid Cypress College parking citations may be towed without notice. Registered owners of the vehicle will be responsible for paying all citations, towing fees, and impound fees prior to the vehicle being released by the impound company.

**Parking Refunds** — No refunds will be issued after February 8, 2015. Refunds will only be given with proof of withdrawal from all classes. A Cypress College *Schedule/Bill* and the return of the unused-unpeeled *parking permit* are required for refund.

### **CHANGES TO SPRING 2015 PRIORITY REGISTRATION**

### **ADD AUTHORIZATION CODE**

An Add Authorization Code (commonly known as the "Add Code") is a four-digit code that may be issued to a student by an instructor to add a class on **myGateway** once the class has closed. **The add code can only be used to add that <u>closed</u> class and must be used by the add deadline. The add code is good for five days and is only valid for the current term and class it is attached to. If the add code expires, another add code must be obtained from the instructor. After entering an add code on <b>myGateway**, the student must click on Submit Changes and COMPLETE REGISTRATION.

### **ADVISORY**

When a course has an *advisory*, it means a student is recommended to have certain preparation before entering the course. The preparation is considered advantageous to a student's success in the course. Since the preparation is recommended, the student is advised (but not required) to meet the condition before or in conjunction with enrollment in the course or educational program.

### **EXAMPLE:**

Advisory: Eligibility for ENGL 100 C is recommended for POSC 100 C.

### **ASSIST**

ASSIST is a computerized student-transfer information system that can be accessed over the World Wide Web. It displays reports of how course credits earned at one California community college can be applied when transferred to a CSU or UC campus. ASSIST is the official repository of articulation for California's colleges and universities and provides the most accurate and up-to-date information available about student transfer in California. ASSIST is available at: www.assist.org.

### **ASSOCIATE DEGREES FOR TRANSFER (ADT)**

California Community Colleges are now offering Associate Degrees for Transfer (ADT) to the CSU. These may include Associate in Arts (AA-T) or Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. California community college students who are awarded an ADT degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.

The ADT degree is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students who have been awarded an ADT are guaranteed to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units after transfer to a CSU only unless the major is designated "high-unit" major. To view the most current list of Cypress College Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to www.adegreewithaguarantee.com/Degrees.

Current and prospective community college students in pursuit of an ADT are encouraged to meet with a counselor to review their options and learn how to develop an educational plan that best meets their goals and needs as it relates to university admission and transfer requirements.

## CHALLENGING ADVISORIES, COREQUISITES, AND/OR PREREQUISITES:

Refer to the Academic Policies Affecting Students in this Class Schedule.

### **COREQUISITE (COREQ)**

When a course has a *corequisite*, a student is required to take a course in combination with (or prior to) another course. Knowing the information presented in the *corequisite* course is considered necessary in order for a student to

be successful in the course. Generally, a course cannot be dropped if it is a corequisite of another course.

It is the student's obligation to know and meet course *corequisites*. These are stated in the course description section of the *Class Schedule* and the current *College Catalog*. Corequisites will be enforced at registration. The student may be required to show proof of meeting *corequisites*.

### **EXAMPLE:**

Coreq: Completion of or concurrent enrollment in MATH 040 C is required for CHEM 107 C.

### **COURSE IDENTIFICATION NUMBERING SYSTEM (C-ID)**

The Course Identification Numbering System (C-ID) is a statewide numbering system independent from the course numbers assigned by local California community colleges. A C-ID number next to a course signals that participating California colleges and universities have determined that courses offered by other California community colleges are comparable in content and scope to courses offered on their own campuses, regardless of their unique titles or local course number. Thus, if a schedule of classes or catalog lists a course bearing a C-ID number, for example COMM 110, students at that college can be assured that it will be accepted in lieu of a course bearing the C-ID COMM 110 designation at another community college. In other words, the C-ID designation can be used to identify comparable courses at different community colleges. However, students should always go to www.assist.org to confirm how each college's course will be accepted at a particular four-year college or university for transfer credit.

The C-ID numbering system is useful for students attending more than one community college and is applied to many of the transferable courses students need as preparation for transfer. Because these course requirements may change and because courses may be modified and qualified for or deleted from the C-ID database, students should always check with a counselor to determine how C-ID designated courses fit into their educational plans for transfer.

Students may consult the ASSIST database at www.assist.org for specific information on C-ID course designations. Counselors can always help students interpret or explain this information.

### **COURSE REFERENCE NUMBER (CRN)**

The *CRN* is the unique five-digit code assigned to a course for a specific time and day for identifying and registering into that course.

### **CULTURAL DIVERSITY (CUL DIV)**

As one of the requirements for graduation, a student must complete at least one course that focuses specifically on multicultural issues. The purpose of the *Cultural Diversity* Graduation Requirement is to broaden and enhance the educational experience of the students at Cypress College. A *CUL DIV* designation under the course number and title indicates the course satisfies this graduation requirement. NOTE: Students pursuing an AA-T/AS-T are exempt from all local requirements; Cultural Diversity is not required for these degrees.

### **ELECTIVE**

An *elective* is a course not required for graduation or a particular program. For example, a science student might take *electives* from non-science areas which may include history, art, English, or political science. To assist in choosing *electives*, a student should consult a college counselor. An excess of elective units beyond what is needed for a student's educational goal is not encouraged.

### **FEES**

Refer to the Fee Calculation Worksheet in this *Class Schedule*. If there are any additional mandatory fees for a class, they are listed under the course description in the *Class Schedule*.

16 / CypressCollege.edu SPRING SCHEDULE 2015

### **GRADING**

The grading symbols earned at Cypress College are A, B, C, D, F, I, IP, NP and P. If a grading option is not listed, the class is available for a standard letter grade (A, B, C, D, F) only.

If only PASS/NO PASS is listed, the class is available for P or NP grading only. If PASS/NO PASS/LETTER GRADE OPTION is listed, students have the option of taking the class for a standard letter grade or pass/no pass. Students must choose the option they wish, complete the necessary paperwork and submit it to the Admissions and Records Office no later than the fifth week of full semester classes. The deadline for Summer, late start, short-term and open-entry classes is by 30% of the class meetings.

### **PREREQUISITE**

When a course has a *prerequisite*, a student must have certain knowledge to be successful in the course. The prior knowledge may be a skill (types 35wpm), an ability (speaks and writes Spanish fluently), a test score or a successful completion of a prior course (must have completed ENGL 060 C with a grade of "C" or better). Completion of the *prerequisite* is required prior to enrolling in the course, and D, F, NC or NP grades are not acceptable.

It is the student's obligation to know and meet course *prerequisites*. These are stated in the course description sections of the *Class Schedule* and the current *College Catalog*. Prerequisites will be checked at registration. The student may be required to obtain prerequisite clearance from the Counseling Center.

### UNIT

Course work at Cypress College is measured in terms of semester units. A course requires a minimum of three hours of student work per week, per unit. This includes class time and/or demonstrated competency for each unit of credit, prorated for short term, laboratory and activity courses.

## **Cypress College Foundation Scholarships**

ACADEMIC YEAR 2014-2015

Foundation Scholarship applications will be available the first week of December, 2014 in the Foundation Office or at the college website www.CypressCollege.edu

The Foundation scholarship awards generally range from \$300 to \$1,000. Successful applicants are notified in April and are invited to attend the Scholarship Awards Presentation in May of 2015. Most scholarship funds are held until the following fall, as most (but not all) are for returning students. Traditionally, approximately 50% of qualified applicants have been awarded one of the Foundation scholarships.

The Foundation office has information about other scholarships as well. We often receive information about scholarships originating off-campus and we keep a list of many different scholarship sources available to our students. If you have questions about scholarships, please feel free to visit the Foundation office. Office hours during the semester are M-F, 8 am to 5 pm.

#### READING PROFICIENCY EXAMINATION

The READING PROFICIENCY EXAMINATION, which satisfies the Reading Proficiency Graduation Requirement for the Associate Degree, will be administered in the Assessment Center. Proficiency in reading may also be satisfied by receiving a "C" in ENGL 096 C, ENGL 102 C, ENGL 103 C, or ENGL 106 C, or by CSU General Education Certification or IGETC Certification. No units are given for passing the Reading Proficiency Examination, nor is the total number of units required to complete the Associate Degree lowered. Students who meet the area requirement by the proficiency exam are still required to satisfy the 60-unit requirement for graduation. A student may attempt to pass the proficiency exam only one time, after completion of English 100 C or equivalent. The exam will be held on January 30, February 27, March 27, April 24 and May 29, 2015 at 9:00 am, 10:00 am and 11:00 am in The Assessment Center. A \$25 cash fee must be paid in advance to the Bursar Office, which is located on the first floor of the Student Center. Please arrive 20-30 minutes prior to the hour and bring proof of completion of English 100 C or equivalent, photo identification, a #2 pencil, a student ID number, and Bursar Office receipt.

## Flow Chart for Pre-English 100 C Courses

Students are advised to take English classes according to scores on the following test:

#### **COLLEGE TEST FOR ENGLISH PLACEMENT (CTEP)**

The CTEP is designed to measure the English skills of native speakers of English. It is required for proper placement in English courses. Exemptions are: completion of an AA degree or higher, enrollment in one class that has no prerequisite; transcripts/grade reports showing completion of college English with a grade of "C" or better. The CTEP may not be used for placement in ESL courses.

Students with appropriate scores on the CTEP will be advised to take ENGL 100 C (College Writing). Students needing additional fundamental work will be advised to take either ENGL 057 C (Reading and Writing I), ENGL 058 C (Reading and Writing II), or ENGL 060 C (Preparation for College Writing). Students enrolled in pre-English 100 C classes must earn at least a "C" grade in ENGL 060 C or a grade of "C" in ESL 186 C to be eligible for enrollment in ENGL 100 C. All students are encouraged to complete their English coursework as early as possible in their educational programs.

Students enrolled in core classes will be required to write an essay on the first day of instruction to verify skill level and assessment placement score.

## Flow Chart for Academic ESL Courses at Cypress College

Are you a non-native speaker of English? If so, then the CELSA (the ESL placement test) is the right test to evaluate your language skills. You should take the CELSA if ...

- ... you were born in a non-English speaking country; and
- ... you started in the U.S. school system in the 7th-12th grade OR as an adult.

The CELSA test is designed to measure the English skills of non-native speakers of English and is required for proper placement in English as a Second Language (ESL) courses. The CTEP test is designed for native speakers of English and may NOT be substituted for placement in ESL courses.

However, students scoring high on the CELSA test may be referred to English 100 after writing a successful composition.

The ESL courses at Cypress College are designed to build the academic skills of non-native speakers of English as they prepare for college-level coursework, certificate programs, or other professional goals.

Students enrolled in core courses will be required to write a composition or other written evaluation on the first day of instruction to verify skill level and appropriate placement in the ESL sequence of courses.

Students with appropriate scores on the CELSA test may be advised to take ESL courses and elective course at different levels in order to build specific areas of weakness.

#### MATHEMATICS PROFICIENCY EXAMINATION

The Mathematics Proficiency Examination for the Learning Skills area Computational Skills: MATH 020 C Elementary Algebra and MATH 040 C Intermediate Algebra will be administered by the Math Department. Please consult an academic counselor to determine which exam is appropriate for your degree path. A student may attempt to pass the proficiency exam only one time. Successful completion of the Mathematics Proficiency Examination waives three units of the Learning Skills (Mathematics) course requirement. No unit credit is given, nor is the total number of units required to complete the AA degree lowered. There is a \$25.00 fee for taking the examination, and the receipt which is to be obtained in the Bursar's Office must be presented at the time of application in the SEM Division Office.

THE MATHEMATICS PROFICIENCY EXAMINATION WILL BE GIVEN FRIDAY. MARCH 6, 2015 AT 9:00 am in Room SEM-206.

Calculus at the college level typically proceeds at a faster pace, and is more rigorous than High School calculus! Strong Algebra skills and a solid understanding of functions and trigonometry are an absolute necessity. Grades of "C" or better in Math Analysis and Trigonometry or MATH 141 C and MATH 142 C are required. Other courses such as Algebra Il/Trigonometry, Finite Math, Statistics, and Survey of Calculus do not provide the needed prerequisites. Students whose Advanced Placement scores qualify them for the second or third semester of calculus should consider whether the previous course might be the more appropriate choice.

## MATH 150AC 4 Units Calculus I

The Cypress College Honors Program is designed to encourage talent and ability in highly motivated students as they begin their academic studies and prepare to transfer to a four-year college or university. Students who complete the Honors Program and meet all major transfer requirements will have priority consideration for admission to specific four-year institutions.

#### **About the Program**

Classes are taught by faculty interested in enriching your academic experience with special projects, readings, and class activities. The program provides a unique, seminar environment with close academic and social interaction with outstanding faculty and other highly motivated honors students. Guest speakers, cultural events, and field trips enhance the challenging and creative learning experience.

#### The Transfer Alliances

Cypress College is a member of the Honors Transfer Council of California. This group has established transfer alliance agreements with many four-year colleges and universities. The transfer alliance agreements guarantee priority consideration for entrance to Honors Students who meet the entrance criteria of the universities.

#### **Requirements for Membership**

- ▶ Minimum 3.25 GPA in high school course work, or a 3.0 GPA in a minimum of 6 units of college course, verified by transcripts
- ▶ Eligibility for English 100 C
- ► Completion of the Honors Program application

#### **Benefits for Students**

- ▶ Priority consideration for admission at the junior level to selected 4-year colleges and universities
- Small classes with a seminar environment
- ▶ Library privileges at transfer colleges and universities
- ▶ Invitation to special Honors Forums, seminars and social events
- Special counseling and advisement with the Honors Program Director and Honors Counselor

# 3 Steps to Distance Education Success

# **Online and Hybrid Courses**

# Prepare for success

Take the Distance Education Readiness Quiz. This free anonymous quiz will help you decide if you're ready for the special demands of online and hybrid courses. These classes require computer, email, and Internet skills.

**Talk to your counselor.** A Cypress College counselor is ready to help you determine how a Distance Education online or hybrid course can fit into your academic plan.

#### SCAN ME

To go to the quiz page.

OR GO TO

The Distance Education home page at www.CypressCollege.edu/academics/DistanceEducation/and click on the quiz link.

# **2**Choose the right class

Enroll in the course that best fits your needs. Distance Education allows you to take courses that are completely online or that have a range of in-person meeting dates and times. To take these courses you will need access to a computer and the Internet, which are available to registered students in the Learning Resource Center. For information on the course that interests you, please refer to the specific course listing in this schedule. To enable contact with your instructor, be sure to update your email address in *myGateway* before you register and add @*CypressCollege.edu* as a secure site (or on your white or trusted list) in your email program.

Online Courses have no inperson classroom instruction. All instruction is online, although some courses have a few oncampus meetings for orientations and/or tests.

Hybrid Courses are taught both in person and online. While a class may not meet every week, those meetings that are scheduled will occur on the same day and at the same time of the week.

# **3** Get started today

**Visit your instructor's home page.** Home pages contain valuable course and instructor contact information. If you have questions, your instructors are just an email away.

# SCAN ME

To go to the faculty directory. **OR GO TO** 

The faculty directory at www. CypressCollege.edu/academics/ Faculty **Take the Blackboard Student Orientation.** Blackboard is your online classroom. The orientation will show you how to enter your class and use the course tools.

# **GO TO**

Blackboard and follow the Learn Blackboard directions.

# Academic/College Policies Affecting Students

#### **ATTENDANCE**

It is important that officially enrolled students attend the first class meeting of every course. Failure to attend the first class session **may** result in the instructor dropping the student from the class. Students should be especially careful not to accumulate excessive absences. Waitlist and non-waitlist students must attend the first day of instruction to be considered for an add code.

### **AUDITING COURSES**

Currently enrolled students who wish to audit must have previously completed the course successfully the maximum times allowed at Cypress College. An audit form must be filed with the Admissions and Records Office. Students must petition to audit during the second week of the class. Enrolled students must pay \$15.00 per unit, the health fee and other fees as required. For additional information, contact the Admissions and Records Office.

# **CALIFORNIA RESIDENCE REQUIREMENT**

For tuition purposes, California Community Colleges are required to determine a student's residency. California law states that residency is physical presence coupled with the intent to remain in California.

To qualify for residency status, a student must have been a California resident for one year and one day prior to the first day of instruction. The burden of proof to clearly demonstrate both physical presence in California and intent to establish California residence lies with the student. See the College Catalog and college website for residency information. Visit the Admissions and Records Office for additional details.

# CHALLENGING PREREQUISITES, COREQUISITES, OR OTHER LIMITATIONS ON ENROLLMENT

### **Grounds for Challenge**

Where a student is denied enrollment in a program or course on the grounds that the student does not meet a prerequisite or corequisite, or on the basis of other limitations on enrollment, the student may challenge such prerequisite, corequisite or limitation on one or more of the following grounds:

- The prerequisite, corequisite or other limitation on enrollment has not been established in accordance with the district's process for establishing prerequisites, corequisites and other limitations on enrollment;
- 2. The prerequisite, corequisite or other limitation on enrollment is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner;
- The basis upon which the district has established an enrollment limitation does not in fact exist;
- 4. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite;
- The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or corequisite course has not been made reasonably available by the college.

### **Burden of Proof**

The student shall bear the burden of proof in demonstrating that grounds exist for the challenge.

- 1. In the case of a challenge under Grounds for Challenge number 4, the student shall provide evidence of knowledge and/or skills, by virtue of placement/ assessment testing, academic coursework, independent learning, experience, or a combination of these which are at least equivalent to the knowledge and/or skills the student would have possessed had he or she successfully completed the prerequisite or corequisite.
- 2. In the case of a challenge under Grounds for Challenge number 5, the student shall provide evidence that the student has declared a broad educational intent or specific educational goal and has developed a Student Educational Plan in conformity with the provisions of Section 55530(d) of Subchapter 6 of Chapter 6 of Division 6 of Title 5 of the California Code of Regulations.

# **Challenge Procedure**

## Filing of Challenge

 A challenge with respect to any prerequisite, corequisite or limitation on enrollment initiated pursuant to this policy shall be made upon the appropriate challenge form, which may be obtained from a counselor or the Office of Instruction.

- 2. The completed challenge form must be filed with the Office of Instruction in accordance with the following deadlines:
  - a. for the Fall term, not earlier than Friday of the fifteenth week of the Spring semester and not later than the first day of instruction for the Fall semester;
  - b. for the Spring term, not earlier than Friday of the twelfth week of the Fall semester and not later than the first day of instruction for the Spring semester;
  - c. for the Summer Intersession, not earlier than the first Monday in May and not later than the first day of final examinations for the Spring semester.

In the case of a challenge under Grounds for Challenge number 4, the completed challenge form must be accompanied by appropriate evidence of skill or accomplishment such as placement/assessment results, transcripts from an accredited institution or appropriate foreign institution, work-related experience, or other evidence of relevant experience. To warrant consideration, any such evidence shall be of a clear and reliable nature.

### **CHANGE OF ADDRESS**

Students are expected to notify the Admissions and Records Office when their address, e-mail and/or phone number changes. Personal Information Change forms are available in the Admissions and Records Office and there is no charge for this form. Address and phone updates can also be made using *myGateway*. After logging into *myGateway*, this option is available under Personal Information on the student tab. The college is not responsible for any delay in communications sent to an outdated address or email that the student has not corrected.

#### **CHANGE OF NAME**

Students that wish to change their name on official college records must obtain and file the Personal Information Change form in the Admissions and Records Office. Proof of a legal name change may be required and there is no fee for this form. When the name change is processed, it is recommended that a new student ID card should be purchased and a new picture taken at Photo ID in the Student Center.

# **CHILDREN ON THE CYPRESS COLLEGE CAMPUS**

### Introduction

Cypress College celebrates the presence of many children in the lives of our campus family and the college is committed to doing everything possible to ensure the health, safety and well being of all children.

# Why do we need these guidelines?

The college manages its campus primarily for adults and is not held responsible for supervising children. Furthermore, students and faculty expect to be able to conduct their activities in an academic environment. Therefore, any parent or guardian who brings a child to Cypress College must adhere strictly to established guidelines. A parent or guardian can be any student, faculty or staff member, vendor, or campus visitor.

# Who is a child?

For purposes of these child-protection guidelines, the term "child" applies to any person under the age of 18 who is not otherwise enrolled in a program or course at Cypress College, including programs/courses offered by the School of Continuing Education.

#### Guidelines to be followed:

- Children may not accompany parents or guardians to classes, labs or the worksite
- "Arms-length supervision" by a parent or guardian is required at all times.
- Should a child become disruptive, both the parent or guardian and child may be asked to leave the campus.

### **CLASS CANCELLATIONS**

Cypress College reserves the right to cancel any class for which the enrollment is not sufficient to warrant continuation and to change the class hours and/or days as necessity demands.

# **COURSE NUMBERING**

Courses completed at Cypress College, which are not designated as Non-Degree credit, will transfer to other community colleges. Courses numbered from 001 C-099 C are remedial, occupational and/or technical and designed in content and

organization for students who do not intend to transfer for the Bachelor's degree. Courses numbered from 100 C–299 C (including Honors classes) have been certified by Cypress College as being of baccalaureate level for the school year and are transferable to any campus of the California State University system.

The transfer institution, however, will determine the extent to which a course satisfies the requirements of a particular degree program. Credit not otherwise applied shall be acceptable as general electives to the extent that the particular degree objective permits. Students who plan to transfer to any campus of the University of California or other university or college should check with a counselor and www.Assist.org for transferable courses since UC does not accept all courses numbered 100 C—299 C (including Honors classes).

# **COURSE PROGRESSION**

Students are expected to take courses on an acceptable progressive basis. Students will not receive credit for classes which are considered lower in degree of advancement than those already taken.

# **COURSE REPETITION**

As a general rule, a course in which a student has earned a grade of D, F, NC, NP, or W may be repeated twice. Students who have earned a grade of A, B, C, CR or P may repeat a course under extenuating circumstances. A Petition for Exception must be submitted to the Admissions and Records Office for approval prior to repeating a course; otherwise, students will be electronically blocked from registering or notified by mail that their enrollment in a course is in conflict with this policy.

# **EXAMINATIONS**

Class instruction includes frequent examinations throughout the semester so that students can judge their progress. Final examinations are given on the last day of the class. The final examination is a requirement for each course. All students must take these examinations at the scheduled time and place. Any exceptions to the above policy will be made only after consultation with the division dean.

## **GRADES**

Grades are available to be viewed online on *myGateway*. Grades are not mailed to students. A paper copy of your grades can be obtained with photo ID from the Admissions and Records Office. This printout is not a student transcript of record or a verification of student enrollment. Students may order official copies of these documents from the Admissions and Records Office for a nominal fee.

# **OPEN ENROLLMENT**

It is the policy of the North Orange County Community College District that every course, course section or class, wherever offered and conducted throughout the District, shall be fully open to enrollment and participation by any person who is eligible for admission to the college and who meets such prerequisites as may be established pursuant to the provisions of Title 5 of the California Administrative Code and the policy of the Board of Trustees of the North Orange County Community College District.

# PASS/NO PASS OPTION (FORMERLY CREDIT/NO CREDIT OPTION)

If a full term course is listed in the Class Schedule as "PASS/NO PASS/LETTER GRADE OPTION," a student wishing to take the course on a credit basis only must file a "Request for Pass/No Pass Grading Option" form with Admissions and Records by the end of the fifth week of the semester. The filing date for Summer, late start and short-term courses and open entry classes is by 30% of the class meetings. The decision to take a course on a P/NP basis is irreversible once the request has been submitted to the Admissions and Records Office. Refer to the College Catalog for more information or inquire at the Admissions and Records Office.

# **PRIVACY RELEASE**

Pursuant to the Federal Family Educational Rights and Privacy Act of 1974, the North Orange County Community College District has established Board Policy 5040 — Student Records, Directory Information, and Privacy, which covers the release of student records. The College may make public, without prior student consent, only certain directory information. This information will consist of the student's name, major field of study, participation in officially recognized activities and sports, weight and height of athletic teams, dates of attendance, degrees and awards received, the most recent previous public or private school attended by the student, and any other information authorized in writing by the student.

Students who wish to have this directory information further restricted may do so on the online college Application for Admission or by making the request in the

Admissions and Records Office. Directory information will then be provided to only those individuals who have a written authorization from the student.

No other student information will be disclosed without prior student consent except to college officials and employees of the District with legitimate educational interests unless sought pursuant to a court order or lawfully issued subpoena, or as otherwise authorized by applicable federal and state laws.

A copy of this District policy is available on the District website, www.nocccd.edu.

#### TRANSCRIPT OF RECORD

The Admissions and Records Office prepares and permanently retains a record of each student's academic work. The transcript reflects all academic work attempted at Cypress College. Chronologically, it lists all courses, units, grades, grade points, total units, a cumulative grade point average and other relevant academic data.

The normal processing time for transcripts is 7–10 working days. Forms for requesting transcripts are available online (www.CypressCollege.edu) and in the Admissions and Records Office. Transcript requests may be submitted in person, electronically or by mail. Mail requests must include the student's current and previous names, date of birth, social security number, approximate dates of attendance, number of copies needed and a complete address of where the transcript is to be sent, with the student's signature. Requests with incomplete information will not be processed. Additional processing time may be needed when the campus is closed.

Students must submit an Authorization to Release Education Records to the Admissions and Records Office prior to the release of an education record to a third party. The form can be obtained from the Admissions and Records Office or downloaded from the Admissions link of the college website.

Students are entitled to two copies of their transcripts without cost. Subsequent copies and Hand Carry transcripts are \$3.00 per copy. On Demand transcripts are available for an additional fee of \$10.00. (Note: Fee is subject to change at any time.) Transcript requests must include full payment to be processed, and requests will not be processed if there are holds or outstanding financial obligations to the college. Checks or money orders should be made payable to Cypress College. Cash payments are not accepted for mail requests.

Transcript requests should be mailed to Cypress College, Admissions and Records, ATTN: Transcripts, 9200 Valley View St, Cypress, CA 90630-5897

For information regarding electronic transcripts, access the Admissions and Records/transcript link of *myGateway*.

# **VERIFICATION OF ENROLLMENT**

Beginning Fall 2006, Cypress College authorized the National Student Clearinghouse (NSC) to provide degree and enrollment verifications on behalf of the college. NSC provides free, self-service enrollment certificates to students and adheres to the privacy mandates of FERPA (Family Education Rights and Privacy Act of 1974).

Students can request NSC enrollment verification certificates ten business days after the beginning of a term. Access NSC by logging onto www.CypressCollege.edu. Click on "Student Records" under student links. Choose Cypress College Enrollment Verification via National Student Clearinghouse and obtain an enrollment certificate. All other verifications will be charged \$3.00 per request.

# WITHDRAWAL OR DROP POLICY

While an instructor may drop a student who has poor attendance, *it is the student's responsibility to officially withdraw from a class*. Students can drop classes by accessing *myGateway* during its posted hours. Failure to withdraw officially from a class can result in a substandard grade being posted on the student's permanent record.

# Semester Courses

**First two weeks of the term** — The student or the instructor may initiate a withdrawal. No notation shall be made on the student's academic record. For exact dates refer to *Important Dates* in this *Class Schedule*.

**Third week through twelfth week** — The student or the instructor may initiate a withdrawal. A "W" shall be recorded on the student's permanent record. For exact dates refer to *Important Dates* in this *Class Schedule*.

# Short Courses

Refer to the comment line under the CRN of the class for withdrawal deadline dates. Every effort has been made to ensure the accuracy of these dates; however, they are subject to change without notice in order to comply with State accounting regulations.

# **Non Discrimination Statement**

It is the policy of the North Orange County Community College District to provide an educational, employment, and business environment in which no person shall be unlawfully subjected to discrimination or sexual harassment, nor unlawfully denied full and equal access to the benefits of District programs or activities on the basis of ethnic group identification, national origin, religion, age, gender, race, color, ancestry, sexual orientation, marital status, or physical or mental disability as defined and prohibited by state and federal statutes. Any student who engages in unlawful discrimination or sexual harassment in violation of this policy will be subject to disciplinary action, which may include suspension or exoulsion.

Students who believe they have been subjected to unlawful discrimination, including sexual harassment, or who seek information regarding the District's Unlawful Discrimination Policy, should contact the Office of the District Director of Human Resources at (714) 808-4818.

The following person is designated by the North Orange County Community College District as the Responsible Officer/Section 504 and Title IX Coordinator for receiving and coordinating the investigation of all unlawful discrimination complaints filed pursuant to section 59328 of Title 5 of the California Code of Regulations, and for coordinating compliance with section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act of 1990, Title IX of the Education Amendments of 1992, and response to discrimination complaints related thereto:

Position: Vice Chancellor, Human Resources

Address: 1830 W. Romneya Drive

Anaheim, CA 92801-1819

Telephone: (714) 808-4822

# Victims of Sexual Assault

Students who are victims of sexual assault occurring on District property or on an off-campus site or facility maintained by the District, or who seek information or assistance regarding a sexual assault, should contact the campus Director of Health Services at (714) 484-7045 or the Director of Campus Public Safety at (714) 484-7455. Except as may otherwise be required by law, all inquiries will be maintained in confidence.

# Afirmación Sobre no Discriminacion

Las normas generales del North Orange County Community College District proveen un entorno educacional, laboral y comercial en el que ninguna persona es expuesta a la discriminación ni al acoso u hostigamiento sexual, como tampoco a ninguna vejación castigada por la ley, ni a negarle, contrario a la ley, acceso total y equitativo a los beneficios y actividades de los programas del Distrito, debido al grupo étnico al cual pertenece, nacionalidad de origen, religión, edad, género, raza, color, ancestros, inclinaciones sexuales, estado civil, o discapacidad física o mental, tal como lo definen y prohíben los estatutos estatales y federales. Todo estudiante que discrimine, acose u hostigue ilegalmente a otra persona, en contravención de las normas generales, quedará sujeto a que se tomen medidas disciplinarias contra esa persona, lo cual puede incluir suspensión o expulsión de este centro educacional.

Todo estudiante que crea ha sido objeto de discriminación ilícita, incluyendo acoso u hostigamiento, o que desee obtener información con respecto a las Normas Generales del Distrito sobre Discriminación Ilícita (District's Unlawful Discrimination Policy), debe comunicarse con la oficina del Director Distrital de Recursos Humanos (714) 808-4818.

La persona que mencionamos más adelante, ha sido designada por el North Orange County Community College District, como el Funcionario Responsable/Coordinador de la Sección 504/Derecho IX, ante quien se debe presentar la información para coordinar la investigación de todas las quejas de discriminación ilegal interpuestas, conforme a lo estipulado en la sección 59328 del Derecho 5 de las Reglamentaciones del Código de California, y para coordinar el acatamiento de la Sección 504 del Decreto de Rehabilitación de 1973 y del Derecho II del Decretote 1990 que ampara a los Americanos con Discapacidades, Derecho IX de las enmiendas de la educación de 1992, y responder a las quejas por discriminación relacionada:

Posición: Vice Chancellor, Human Resources

Dirección: 1830 W. Romneya Drive

Anaheim, CA 92801-1819

Teléfono: (714) 808-4822

# Victimas del Acoso u Hostigamiento Sexual

Aquellos estudiantes que sean víctimas de asalto sexual dentro del predio del Distrito o en algún sitio fuera del terreno o establecimiento universitario, bajo la responsabilidad del Distrito, o que busque información o ayuda con respecto a un asalto sexual, debe comunicarse con el Director de Servicios de Salubridad, llamando al teléfono: (714) 484-7045, o con el Director de la Seguridad Pública del Terreno Universitario, llamando al (714) 484-7455. Excepto como de alguna otra manera lo exija la ley, toda pregunta e información se mantendrá en la más estricta confidencialidad.

# **Student Right to Know Campus Security Act**

In compliance with the Student Right-to-Know and Campus Security Act of 1990, it is the policy of the North Orange County Community College District and Cypress College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall, 2001, all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period; their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at Cypress College, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, 36% attained a certificate, degree or became "transfer prepared" during a three-year period (fall, 2001, to spring, 2004). Students who are "transfer-prepared" have completed 56 transferable units with a GPA of 2.0 or better.

Based upon the cohort defined above, 36% transferred to another postsecondary institution (CSU, UC, or another California Community College) prior to attaining a degree, certificate or becoming "transfer prepared" during a five-semester period (spring, 2002 to spring, 2004).

More detailed information related to the reporting of criminal actions which have occurred on campus may be obtained from the President's Office, Public Safety, Admissions and Records, Financial Aid, Bursar's Office, Student Activities, Library and the website.
