GE Sub Committee: AO and the subcommittee met yesterday for the first time to review our native general education requirements and the criteria used for placing courses on our native pattern. The group also began to consider comparing our native pattern to the CSU GE to see if alignment is possible. A lot more review and discussion need to take place with the group looking at data and now considering new CSU GE Area F criteria. The subcommittee will meet again in three weeks to continue discussion and plans for moving forward with potential changes.

# Financial Aid and curriculum: Korey Lindley, Director of Financial Aid

Financial Aid director provided an overview of how curriculum is related to financial aid. A discussion took place about EW and how it relates to financial aid and auto awards. Issue of minimum units came up-- currently, Banner program information is only available in increments of unit ranges and students are at a disadvantage by this practice. Students pursuing certificates are eligible for financial aid if the certificate is at least 16 units.
